

Norval residents visit congress

By KAY WILSON
Herald Correspondent
Paul Laidlaw has returned from a four-week trip to the Third World Congress of Young Farmers, which was held in Berlin, West Germany. Paul was one of four delegates from the Ontario Junior Farmers. There were 365 delegates from 60 different countries. The first week they stayed in West Germany and were hosted by young German Farmers.

The second week was spent at the Congress. The third week Paul went to Holland where he was hosted by a Dutch family who had a large farm, milking 87 Holstein cows. The last week the delegates met in Amsterdam. Renting a car, they travelled through France where they found life very uplifting and happy. Driving toward Paris they could see the Eiffel Tower in the distance, and travelling down through Austria and Switzerland, they found the mountainous country just as lovely as the Sound of Music portrays.

Paul says "It was the best holiday I ever had". Pinegrove Community Centre had six tables of euchre on Monday last.

Winners: pink card, Irene Hunter, Hillie Feikema; white card, Mac Alexander, Prairie Bessy; lucky draw, Marg Davidson courtesy Webbs Flowers. Lunch committee, Marie Murray and Peggy and Gord Early.

Norval Community Centre had eight tables in play at its euchre on Thursday last: pink card, Elsie Jarvie, Lillian Shapely; white card, Phil Landry, Jean Cunningham; lone hands, Mae Tost; luck draw, Elizabeth Wallace courtesy Webbs Flowers.

Sympathy is extended to two Norval families. Percy Donaldson passed away at Georgetown and District Memorial Hospital Nov. 21.

He is survived by daughter Elsie (Mrs. Don Smith) of Norval and two sons, Bill and Bob both of Tara, eight grandchildren, a sister Eva (Mrs. Wes South) and brother Elmer.

He was a Norval resident for 40 years and had been a mechanic, operat-

ing a garage at both Norval and Huttonville.

The funeral was held at the McCure Jones Funeral Home on Nov. 24, with interment in Brampton cemetery.

Former area family, the Van Vliet, have been saddened by the death of their father Bert Van Vliet.

He is survived by Neil of Proton Station; Betty Millenaar of Brampton, Dick of Brampton, Agnes Brunskill of Fergus, Bruce

of Proton Station and Peter of Priceville, as well as 15 grandchildren and five great-grandchildren.

The Van Vliet family farmed for some 40 years on the Fifth line north of Highway 7. Following the death of his wife, he moved to the Dundalk area, where he engaged in beef farming.

The funeral was held at the Archdekin Funeral Home in Brampton yesterday (Tuesday) with interment in Noval cemetery.

THREE BEDROOM SPLIT ENTRY HOME IDEAL FOR NARROW LOT

This compact split entry home design is perfectly suited to the narrow frontage urban residential building lot and provides in excess of 1,000 square feet of well-organized finished floor area, for present use, and nearly as great an amount of space, in potential, in the un-finished lower level. The mixed vertical and horizontal channel siding of the exterior, highlighted by the brick chimney and shake roof, serves to define the space, and provides a durable and easily-maintained facade. For those who prefer, the roof could be alternately finished in more conventional shingles.

The weather-sheltered main entry leads into a spacious reception foyer, from whence twin half stairways lead up to the main living area and down to the un-finished lower level. The main landing contains the spacious outdoor storage area, from whence traffic moves naturally left and into the spacious L-shape living-dining room combination. The living room features a raised-hearth masonry fireplace and convenient log storage, for convivial "at-homes". The dining area is immediately accessible to the kitchen.

The well-planned U-shape kitchen has a step-saving work triangle configuration, abundant cupboard storage and generous countertop work surfaces.

All three bedrooms are positioned to the rear of the floor plan and well away from the main entertaining area for freedom from disturbance. Each has generous closet storage and good exposure for view and natural light. The spacious master

bedroom has a full walk-in closet and a two-piece ensuite bathroom.

The un-finished lower level features a roughed-in masonry fireplace and roughed-in plumbing for a three-piece bathroom on the basis of the future development. Here is abundant space for additional accommodations and/or recreational facilities.

A practical and eye-catching design which offers all of the necessary conveniences in an economical and easily-maintained package.

Plans for design No. 81-1018 may be purchased either by the single set, at a cost of \$125.00 for the first set and \$25.00 for each additional set, or by the package. A five-set plus package, including the first set, is economically priced at \$180.00 and an eight-set package, also including the first set, is only \$220.00.

Whichever method you choose, please include \$5.00 for postage and handling. Ontario residents please add 7% sales tax.

Send for the current edition of Select Home Designs magazine, series 50, featuring imaginative decorating and home improvement ideas, plus 250 quality home plans of every type. Available for \$2.75 (\$2.00 plus .75c postage and handling).

To order any of these items please send cheque or money order, payable to the Home of the Week. Address for: Home of the Week, c/o The Halton Hills Herald, Unit 1, 161 Carlingview Drive, Rexdale, Ontario, M9W 6E7.
