

FWO hears agriculture minister

Herald Special

"Let us strengthen what is good", said provincial Hon. Dennis Trimble, minister of agriculture and food when he addressed the Annual meeting of the Federated Women's Institute of Ontario in Toronto. He urged the 34 Board directors, representing 27,000 members in the province to be more aware of the needs of rural women. Foodland preservation and increased marketing of Ontario foods is necessary to meet our needs as well as that of the world. Mr. Trimble asked the Women's Institute for their co-operation in celebrating Ontario's bicentennial in 1984.

Mr. Ken Knox, Director, Rural Organizations and Service Branch challenged the women to work for a better understanding of rural and urban population, working with the Branch to more efficiently understand the Producer and Consumer.

The FWIO Provincial President, Mrs. Keith Hiepleh chaired the sessions dealing with varied concerns and business. Resolutions were sustained on topics of Mental Health facilities in the north; drugs; support programs for the disabled; a referendum concerning the death penalty and the need for tax revisions for the fruit farmers.

Mrs. Harvey Noblitt of Ottawa, the President of the Federated Women's Institute of Canada informed the directors of the projects and programs for the next triennium. Members are asked to study and have programs on "Unlimited Potential - Women". Joyce Canning, representative from the rural organizations and service branch expressed concern for new programs to meet the needs of today's lifestyle.

Exciting challenges face the membership as plans are being made for the Associated Country-women of the world conference in Vancouver in 1983. Mrs. Clarence Diamond reported on plans to date, when 2,300 delegates from around the world are expected and we share in hosting this

special event.

Education is a priority with three scholarships for advanced studies, 22 McDonald awards at Guelph University, County scholarships being presented, as well as \$3,400 being sent to Ware College England for the training of students from underdeveloped countries.

Junior Women's Institutes with a membership of 400, continue to present trophies for the physically-handicapped as well as have educational programs.

Officer conference will be at Waterloo University May 3, 4 and 5.

Mrs. Jeannette Van-Sickle of Brantford completed her term as Prov. Secretary and is succeeded by Mrs. Sam Johnston of Listowel.
