Merry Christmas

The warmth, beauty and magic of the festive season has come to life at the olde Hide House.

An old-fashioned, Country Christmas atmosphere features a variety of special events each weekend. Local choirs, carol singers and bands will delight and entertain you. Santa Claus will, of course, be on hand to meet all his favourite children.

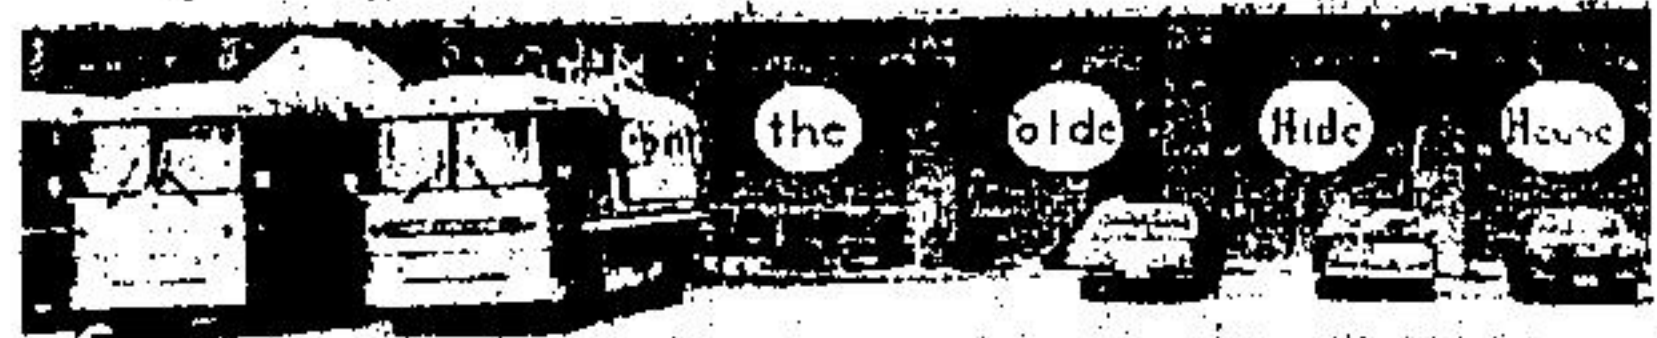

This warm and charming atmosphere makes gift-shopping a joy. Browse through the immense selection of leather, suede and shearling garments, luxurious furs, woollen sweaters and blankets, leather footwear, handbags and accessories and Canadiana Furniture. Explore the unique and exciting Artisan Village where professional Artisans and Craftsmen work in open studios and visit the Journeyman Shoppe where their completed works are featured. After you have solved all your gift-giving problems you can relax and enjoy a delicious meal at Jack Tanner's Table.

If you would enjoy a relief from the impersonal hustle, bustle of the Malls, then step back to an old fashioned, Country Christmas at the olde Hide House.
