Herald Special

McNally Construction Firefighter Major Atoms hosted Orangeville at Memorial Arena Thursday, November 25.

Orangeville took the lead at 8:07 of the first period. Evening the score for Georgetown at 6:13 was Mike Melville assisted by able defenceman Mike McElroy. Orangeville went ahead at the 7:22 mark only to have Mark Lorito tie the score on a pass from behind the net by Chris Bechard.

Opening the second period Georgetown went ahead 3-2 on a goal from the slot by Wes McCauley from Roddy Pasma. Orangeville pressed back with another goal at 7:43. At this point the local Major Atoms took a penalty and a determined Wade Serjeantson assisted by Mark Lorito scored a short handed goal for Georgetown.

Orangeville put two more pucks in the net to lead the game 5-4 at the end of the second frame.

Half way into the third period Georgetown's Andy Pearce drove the puck home from an almost impossible angle on a pass from Roddy Pasma to tie the match 5-5. Orangeville persisted with two more counters, one while Georgetown was again shorthanded.

Not a team to give up Georgetown pulled the goalie to add a sixth attacker and at 2:02 Roddy Pasma tucked away Wes McCauley's rebound. Orangeville was handed a late penalty but the clock ran out before Georgetown could tie the game. Final score: Orangeville 7, George-

town 6.  
IN BUFFALO

Friday, November 26, the McNally Construction Firefighter Major Atoms travelled to Buffalo for the weekend to participate in the Buffalo Regals Squirt Invitational Tournament. Our Double "AA" team met keen competition and the close scores were indicative of the high calibre of hockey played in this tourney.

Our first game Friday evening saw us defeated by Thornhill's "AAA" team in a closely contested match 3-2. Goals were scored by Joel Burton and Mark Lorito with assists earned by Wes McCauley.

Game two on Saturday pitted Georgetown against the Oakville "AAA" Esso Tigers who edged by our team 2-1. Shannon Finn assisted Andy Pearce on the lone goal of this game.

The final game ended in a 4-4 tie against Southtown, New York, with goals being scored by Mike Melville (2), Wes McCauley and Roddy Pasma. Assists were credited to Mike McElroy, Wes McCauley and Roddy Pasma.

In all three games goal posts and cross bars were hit many times as our boys just couldn't buy the extra goals. Coaches Charlie Hanman, Mike Buck and Martin Hardcastle were very pleased with the overall performance of each player, positive attitude and team determination and drive.

This weekend gave the team a little more experience in readiness for their next Tournament in Ottawa between Christmas and New Years.

## STROKE, STROKE

Stroke improvement is one area the Blue Fins would like to stress as they begin their season as a fully operational parent-run organization. Last year the swim club was the responsibility of the Recreation Department, but a move by parents to seek out CASA sanctioned meets convinced them to move away from Recreational

type swim meets. Seen here with one of the Blue Fin coaches, Brenda Morrow is (back row, left to right) Sonja Wassermann, Diana Morrow, Tara Finn, Corinna Stephens, Teri Bomasuit, Mara Firmorac (front row, left to right) Nancy Reid, David Payne, Julie Robertson, Kelly Ballinger, Christy Lightowers.

# Peewees boast 12-2-2 record

By JOHN FELCE  
Herald Special

The North Halton Sports Camp Minor Pee Wees recorded two wins and a tie over the last week.

At just past the mid point of season, the team statistics indicate a 12-2-2 standing.

On November 30, at Memorial Arena, the locals fought their way back to tie Orangeville 3-3.

Georgetown fell behind 2-0 before Andrew Hoddnott connected from Travis Gardiner at 2:28 of the second period.

Orangeville pulled ahead again at 15:10 of the third but at 11:07 Georgetown was awarded a penalty shot when a defenceman covered the puck in the crease.

Adam Bennett made no mistake on this shot as he slid it in past the sprawling netminder.

The equalizer came from Brent Presswood, unassisted, at 4:13.

The Sports Campers recorded a 4-2 victory at the Olympic Sports Centre in Dundas December 1.

The black, red, and

white took a two goal lead in the second period on markers by Adam Bennett and Doug McDermott. Brent Presswood assisted on both scoring plays.

Dundas was quick to take advantage of its opportunities. Two break-

aways later in the game was tied.

Travis Gardiner combined with Andrew Hoddnott and Stuart Vogt for the go ahead goal at 6:53 of the third period.

The hosts pulled the goalie for an extra attacker but it was Georgetown who cashed in.

Mike Wilkins put in his own rebound with only two seconds left.

A game December 3 in Burlington resulted in a 3-2 win.

Burlington went ahead 2-0 on two powerplays before Georgetown found the range.

Travis Gardiner put a hard one in off the post at 3:28 of the second period.

At 14:48 he potted another one off the goaltender's glove to tie the game.

Andrew Hoddnott netted the game winner on a breakaway at 4:26.

# Major Peewees oust Burlington

By BARRY SHEPHERD  
Herald Special

It's been a long time but it looks like the Major Pee Wee hockey team has mastered Burlington. In the game at Nelson Arena last Wednesday, Georgetown played superbly to come away from a nor-

mally unbeatable town with a 3-1 win.

It was nine minutes into the first period before Jason Arnold powered his way into the Burlington zone and fired a low shot on net which came off the goalie to find Jeff Brady's stick - one nothing.

Ken Langdon picked up

the other assist. The rest of the first period saw a lot of action but our boys prevented any real dangerous efforts by Burlington.

The second period again saw almost flawless play by the reps and it resulted in another two goals. One by Peter Albery with a shot from the point finding the far corner. The assist went to Alain Thibault.

With Jason Arnold playing more than half the game his hard work around the net paid off when he threaded the needle with a tight angle shot from close in.

When called upon Steven Eastwood came up big in net but Palmeter him-

self could not have stopped a lightning slap shot from the slot, finding the inside of the cross bar and coming to rest behind Steve.

But it was Georgetown's night as the final buzzer ended the 3-1 game.

It was one of the best games the parents had seen all year with the boys showing real signs of smart positional hockey which must be gratifying for Paul Morrow, Rick Lorito and Nick Kotsos who have worked hard with the team.

It's 12 wins and 2 losses and we now have only Milton to beat once again, to own top spot in the league.

## Liftech Atoms a step behind

The Liftech Atom Tier II's travelled to Stayner over the past weekend to participate in a tournament.

In the first game against Oshawa, after falling behind 2-0 in the first period, the team stormed back with three unanswered goals in the second period, and two more in the third period for a 3-2 victory.

Goalscorers were Chris Lush, Steve Kokelj, Chad Bailey, Dave Bewley, and Sean Gardner. Assists went to Dale McNiven (2), Chad Bailey, Trevor

Soow, Dave Watts, Jamie Tripp, Sean Gardner, Dave Bewley, and Rob Boyle.

Georgetown were then eliminated from the tournament in suffering a 6-1 loss at the hands of a fast-skating, crisp passing team from Markham.

Although the Georgetown team played hard, most of the time they were a step behind Markham.

The Georgetown goal was scored by Trevor Soow, assisted by Steve Kokelj and Chris Lush.
