Herald Special

December 9, 1982, saw the McNally Construction Firefighter Major Atoms take a much needed 5-0 win against the Tri-County League's first place Streetsville squad on Georgetown ice.

Both teams displayed fast, hard play in the first period which remained scoreless.

Halfway into the second period on an effort by Wes McCauley, Mike Melville scored Georgetown's first goal. Our second goal came with only 49 seconds left in the period when Joel Burton passed to Roddy Pasma who slid the puck by the Streetsville goalie.

At 7:52 of the third frame Mike Melville, on a pass from Joel Burton, increased Georgetown's lead to 3. Less than a minute later Mark Minch laid a nice pass to Mark Lorito who broke through two Streetsville defencemen to count goal No. 4.

With only four minutes left to play in the game Chris Bechard's pass to Wade Serjeantson allowed Mark Lorito to score the fifth goal for our local lads. Solid aggressive goaltending earned Shannon Finn the shut-out.

The "Big Three" credited this win to good backchecking, strong offence, steady controlled defence, superb goaltending and effective penalty killing when required.
