

# SANTA'S MAILBAG

Dear Santa,

I want a race track and I want a Dukes of Hazard big car and a nurf soccer ball and some life cars and a big Remotcontrol Rlg I want a minie pops record. And a pair of gloves and a model.

Clifford Bell, Kingham Road, Acton

Dear Clifford,

My, you have a name to grow into, don't you? I had to grow into my name too. But I've been Santa so long now, I can't remember what they used to call me when I was a wee lad like yourself. I've got your list of goodies tucked into my special file for good children and I'm certainly not going to forget you, Clifford.

Lots of love, Santa

Dear Santa,

Can I have Frosk and Fancy Shampoo and my own leather handbag like mummies. If I can have one more thing I would like a snurfs case. See you on December 25th.

Love Elaine Baker, Stockman Crescent, Georgetown

Dear Elaine,

You're becoming quite a little lady. I hope though, that if I tuck a handbag like mummy's under your pretty green Christmas tree you won't stuff it full of all those things grown-up ladies do. I'm saying this because Mrs. Claus has a leather handbag full of the strangest things, and she carries it with her wherever she goes, although it's so heavy. The poor purse is so full that it's lost its shape. Please take good care of your purse, Elaine, and don't overstuff it, okay? See you soon, love.

Hugs aplenty, Santa

Dear Santa,

I am six years old. I would like a pink and pretty barbie, a type writer and garfield. In my stocking I would like a package of felt markers and chocolate candy. I will leave you a snack.

Love from Jennifer Mitchell, Ballinafad

Dear Jennifer,

How are you my sweet-heart? If you find a type-writer under your tree, will you make good use of it to write dear old Santa up in the North Pole? It gets lonely for me up here and I look so forward to the mail I get at this time of year. January and February are the worst months, Jennifer, for Santa. I feel terribly neglected then, and because I'm so tired after my trip around the world, I feel even worse. Please remember me, dear Jennifer, and I'll be sure and stop by your house this December.

Lots and lots of love, Santa

Dear Santa,

Yours truly,  
Jamie Wesley Scarlett,  
Georgetown

Dear Jamie,

I'm so glad to hear you have been a good boy all year long. Thankyou for asking about the reindeer. Prancer has been dieting and getting into shape for our long journey. I will do my best to bring the presents you asked for Jamie.

Lots of love, Santa

Dear Santa,

I am 2 1/4 years old and I have a little brother who is 4 months old. Could you please bring me a toy snowmobile to ride on like my daddy's big one. My brother Jeremy would like it if you would bring him a nice present too. We will leave you some cookies and some beer. Say hi to Mrs. Santa Claus and all the elves and reindeer.

Love Terry News,  
Sunnyside Drive,  
Erin

Dear Terry,

Mrs. Claus, the elves and reindeer all wish you a very Merry Christmas. The elves are looking for a snowmobile just like daddy's for you Terry and I'm sure we can find something wonderful for your little brother Jeremy too. I will look forward to having a snack at

your house, Terry!  
Love, Santa

Dear Santa Claus,  
Hi! My name is Marilyn Ireland and my sister's name is Stacy Ireland. We have both been good this year.

Stacy would like: A bubble bath barbie and a slinky and maybe a coleco mini video game of Pac-man.

And I would like: A Coleco mini video game of Moon Cresta, or a missing link, maybe even both.

I've got to go now. Bye! Marilyn and Stacy Ireland,  
Hewson Crescent,  
Georgetown

See you then!

Dear Marilyn and Stacy,  
A big hello from the North Pole. I was happy to hear you both had been good girls again this year. I will do my best to deliver all the gifts you both have asked for.

Santa has had the elves checking the cupboard for video games, lots of boys and girls have been asking for these. See you soon.  
Hugs and kisses, Santa

Dear Santa,  
My name is Laura and I am 8 years old. I have long blond hair. For Christmas I would like a smurfette and a pink and pretty doll. I have a dog named freckles. She would like a big bone and one bag of Dog food.

We both love you, from Laura A. and freckles,  
Georgetown

Dear Laura,

I hope you've let Freckles know I'll be visiting you soon, so she'll be friendly to me. Some dogs don't bite the big bone I bring them at Christmas and instead bite my big black boots. Mrs. Claus wants me to make my boots last for another year, so I have to be extra careful during my visits

this year so they don't get too scratched up when I climb up and down chimneys or visit homes with overfriendly pets. Can't wait to see you and Freckles. It'll be soon now.  
Love, Santa

Dear Santa,

How are you? I am fine. How was your summer holidays. Mine were great. How are the elves? How is Rudolph? I am looking forward to your coming at Christmas. I would like to get a Mickey Mouse record player, some chalk, a drum, a smurf piano, and a car, please. My little brother, Daryle would like a cash register, a creative coaster, and some chalk, please.

With lots of love,  
Michael Henry

Dear Michael,

That's a lovely letter you've sent me. It's even got a little picture of you and Daryle, doesn't it? What nice looking young boys you are! Everyone here at the North Pole is doing fine and really looking forward to Christmas, Michael. I'm sure you are, too. Thankyou for writing.  
Lots of love to you and Daryle, Santa Claus
