

The year little E.T. stole everyone's heart

Dear Santa,
Please can I have a bear and please can I have a car and how is your reindeers how do you get down the chimney.

Your friend,
Deanne Blashuk
Norman Ave.
Acton

Dear Deanne,
Ho, ho! People often ask me how I get down chimneys when I'm so fat. But I can't tell, because it's a secret that's a thousand years old. Don't you worry, I won't get stuck, even with my big bag of presents - many of them for under your tree!

Love Santa

Dear Santa,
I would like the Darth Vader Carry Case with a few of the action figures. (Imperial storm trooper, and AT-AT Commander). I would also like some stickers and a card game. The Darth Vader destroyer ship would be nice too.

How are your reindeer doing?

Love Tim Hunter
Terra Cotta
Age 5

Dear Tim,
I can see that you really like outer space. So do I! Why sometimes when the weather on earth gets really bad, I steer away from trouble by ordering the reindeers into orbit. We are all just fine and I'm looking forward to your place with nice presents.

Love Santa,

Dear Santa,
Are you very busy right now?

I would like the Dukes of Hazzard Playset and the Boats Hog Car and the Police Car.

I am 3 years old. We'll leave a snack for you.

Love Cameron Hunter
Terra Cotta

Dear Cameron,
Ho, ho, ho! You bet I'm busy right now. Toy making up at the North Pole is already at a feverish pitch, but I'll look around for those gifts you've got on your list. If I don't get to see you (and you should be asleep on Christmas) thanks for the snack.

Hugs and kisses,
Santa
