So nice to hear you're doing excellently at your

studies. You keep up the good work and it will all pay off in the long run. And because you've been such a good girl, I'm going to try and bring you all those things you're hoping for.

Dear Santa,
My name is Lesley and my brother's name is Jamie. I am 6 and he is 2 1/2. Thank you for our last year's presents. They were lots of fun. This year Jamie really wants lots of Star War people and a spaceship. I would like a robot and a big stuffed Smurf. Mommy says we fight too much and we will try to get along. I would also like a video so we could all watch movies together.
How are you and Mrs. Santa doing and are all your elves working hard? Jamie and I will leave you and the reindeer a snack on Christmas Eve.
We love you, Santa.
Lesley and Jamie Fairies
Dear Lesley and Jamie,
What a nice little girl you are for writing me on your little brother's behalf! I hope that's a sign that you two are trying harder to get along. That's very important to me as well as to your mommy. I'll look for some wonderful presents for you both. Thanks for writing me all the way from Milton!
Lots of love to you both,
Santa Claus

this year! I'll see what I can do for you. We are all fine up here in the north and, after going through our special kids' album, we see that all your friends have been very good this year. I can also recall your big brother (he tried to sneak a look at me one Christmas, but I think I fooled him).
