

'Are you cold from the coldness up there?'

Dear Santa,
My name is Sean James O'Rafferty, I am 5 year's old and I have been a little angel all year long.

Can you please bring Jeff and I some car's and trucks and can we each have a new teddy.

I really like you so much Santa, Jeff and I will leave some milk and cookies for you, and a couple carrots for your reindeer.

Love,
Sean James O'Rafferty
P.S. Don't forget to bring mommy a gold chain.

Dear Sean,
Santa is surprised to hear you're already five years old. My, my, time certainly does fly. Why, Mrs. Claus and I can remember when you were only three, like your wee brother Jeff. I'm not going to forget you this Christmas Eve, nor your brother, nor your mother, nor your daddy. Listen for my knock on your bedroom door, ok, dearie?

Santa loves you.
Dear Santa Claus,

My name is Erich and I am 3 1/2 years old. Mommy is printing this letter for me so I can wish you a Merry Christmas.

Thank you very much for the toys you left me last Christmas. I have had a lot of fun playing with them.

I'm trying to be a good boy. Mommy says I've been pretty good this year.

For Christmas this year I would like a stomper motor cycle.

I have a baby sister named Becky and she would like a Floating Family.

When I go to bed Christmas Eve I will leave you a snack of milk and cookies. For Dancer I will leave an apple and for Rudolph I'll leave a carrot.

Hope you have a Merry Christmas and a Happy New Year.

Your friend,
Erich Behling

Dear Erich,

What a lovely letter you've written me, my dear. It made me want to be right there beside you to give you a big, big hug. Mrs. Claus told me I'd have to give you one from her too, when I'm down in Acton this Christmas. It's very soon now, Erich, and I'm getting my parcels all tucked into my sleigh so I can be on my way to you.

Love, Santa.

Love, Santa

Dear Santa,
Please send a letter to this little girl!

Jean McDermott, 129 Glenalbert Dr., Toronto, Ont., M4B 1J1

Thanks! Merry Xmas!

Dear Jean,
Somebody wants to be sure I don't forget you on my trip Christmas Eve. They needn't have worried. Santa doesn't forget his little angels from one year to the next. I'm going to be bringing lots of little surprises for you, so look out for me and my reindeer.

Lots of hugs, Santa

Dear Santa,

How are you? If you think that I have been

SANTA'S MAILBAG

good would you please bring me castle gray skull, Lite-Brite, Walkie-talkie and some men. My sister Sarah would like some new toys also. She's been good, but boy is she loud! Have a very merry Christmas!

Your friend,
Joshua Markus,
Guelph St.

Dear Joshua,

How are your ears? Do you think you'll still be able to hear me drop in on you Christmas Eve with all my reindeer? I know what you mean about Sarah. Sometimes my elves can't sleep nights because they hear her. She's got a good set of lungs and one day they'll come in useful. Maybe she'll grow up and be an opera singer. What would you like to be when you grow up? You can tell me Christmas Eve, ok?

Love, Santa

Dear Santa,

How are you? We are fine. We have tried to be good all year. Without being bad, which is quite hard but we really tried. I have two younger brothers. Sean who's 7 and Ryan who's 5.

Ryan would like a stomper 4 x 4. Sean would like an air rammer road jammer. And I would like a diary.

Your friends,
Shannon, Sean
and Ryan Parker,
McIntyre Cres.,
Georgetown

P.S. Dad would like a pair of moccasins.

Dear Shannon, Sean and Ryan,

Yes, I really think you're telling me the truth when you say you've tried to be good this year. I've got special cupboards full of presents for you, and my elves are busy emptying them out and wrapping each present individually. Even your daddy is on my list, so tell him his toes won't be cold this Christmas.

Love to you all,
Santa

Dear Santa,

Please bring some snow from the North Pole. I would like a E.T. doll and a E.T. colouring book and a E.T. book.

Love,
Denise Hannah,
Georgetown

P.S. I am going to leave you cheese and crackers for a snack.

Dear Denise,

Aha! So you're the little girl who wanted snow from the North Pole. Well, my dear, were you happy with the snow I brought you this week? I hope you had a good time playing in it. Did you make a snowman and angels in my special North Pole snow? I'll try and bring you more of it over Christmas, and I'll be sure to bring you some other presents that will last longer and that I know you're wanting.

Love, Santa

Dear Santa,
I'm 5 years old. How are you and your nephews and your reindeer? I would like a hot wheels village and a Gretski watch and a lego castle and a remote car like my brother Tommy wants.

I love you and I will leave you some carrots and cookies.

Love, Timmy Diardichuk
Marilyn Crescent

P.S. I saw you last week in Disney World at the Mickey Mouse Christmas Parade. I waved and threw you kisses. I was the boy in the grey jogging suit! You remember me, don't you?

Dear Timmy,

Santa loves you too, my dear. So you were the

little boy in the grey jogging suit. My, my, I'm so glad you wrote to tell me it was you. It's been bothering me all week. I didn't have my glasses with me at the Mickey Mouse parade and so I couldn't see very far, but I noticed somebody down there throwing me kisses and more kisses. See you soon,
Lots of kisses, Santa

Dear Santa Clause,

Is your reindeer's feeling good? Are you feeling very well yourself? I would like drums, a remote car, and a Gretski watch. How is Mrs. Clause. I am 8 years old and I'm trying to be for mom, and dad, and you.

Love, Tommy Diardichuk
Marilyn Crescent

Dear Tommy,

My reindeer feel great, and so does Mrs. Claus. They send you their love. I feel jolly as ever and I'm going to make your Christmas a splendid one

this year Tommy. My sleigh is packed with lots of goodies for you, so watch for me Christmas Eve.

Love you, Santa
Dear: Santa and Mrs. Claus

Are you and your wife felling o.k. are you cold from the coldness up there? I hope you will have no trouble making your rounds.

I would like very much for you to bring all the presents to all the children who asked you for some. I would like a mini organ and a ken doll mini pops record, and maybe bring me a fasons by me.

A Merry Christmas to nany and papa and my other grandparents and everyone else in the world.

I am nine years old

Dear Tamara,

Yes, dear, we're all feeling ok up here in the

North Pole. The cold isn't too bad at all, not with the warm woodstove going full blast in our toy workshop. With all this woo-

derful white snow, I'm sure I'll be able to make my rounds with no trouble at all.

Love, Santa
