

# 'Find it at Consumers'

Dear Santa,

Thank you very much for the toys you left me last year. I am almost 6 now and I have been trying to be good this year. I would like the Barbie Babysitting Set, a Lite-Brite, Strawberry Shortcake dolls and an E.T. Game. My baby sister, Meghan would probably like a musical clown. Have a good trip and remember to dress warmly.

Your friend,  
Carlie Markus  
Cueph Street

Dear Carrie,

Don't you worry, my dear, Mrs. Claus takes good care of me, mothering me so that I'm just swaddled in warm clothes for my world trip. I'm looking forward to visiting you and your baby sister Meghan. I know you've been trying hard to be the kind of little girl Santa loves. Listen for the patter of my reindeer's hooves on your roof, Carrie, and you'll know who's arrived.

Love you lots, Santa  
Dear Santa,  
Have a Merry, Merry Christmas!

May I please have a tape recorder for Christmas.

Chris Corney

Dear Chris,

Thank you for your Christmas card. It made its way up to my mailbox in the north pole. I've been told you've been a very good little boy this year and I'm not going to forget you when I make my rounds in Halton Hills.

Lots of hugs and kisses,  
Santa

Dear Santa,

My name is Jeff O'Rafferty, I am 3 year old and I have been a good boy all year long. My brother Sean has also wrote you a letter, can you please bring us some cars and trucks and can you please bring mommy a gold chain.

Love your friend  
Jeff O'Rafferty  
Byron Street  
Georgetown

Dear Jeff,

So nice to get a letter from you Jeff. Sometimes my mailbox is so big and empty it echoes when I tap my fingers inside looking for an envelope of news from my little friends around the world. I can tell you that that hasn't been the case this December. My mailbox has just been crammed full of letters so that my mailman is starting to grumble about back problems from lugging them all the way to my workshop atop the big hill in the North Pole. Keep being good, and Santa will stop for a visit.

Love, Santa

Dear Santa,

Dear T.J.,

I can imagine how much you've grown in just four months! Since this is your first Christmas I bet you're excited. Your truck is on order and some soft cuddly toys have already been stacked in my toy sack for delivery. My reindeer thank you in advance for the carrots. We'll try to bring everything on your list.

Love, Santa Claus

Dear Santa,

I am Kristy Shall and I am 1 yr. old. I have been a pretty good girl for my Mommy and Daddy. I try not to get into everything. For Christmas I would like a cuddly doll, maybe some blocks, some books so I can look at the pictures. I would also like some new clothes because I am growing to fast for my other ones. I will leave a drink and snack for you Santa and some carrots for the reindeer.

Love from, Kristy Shall  
River Drive  
Georgetown

Dear Kristy,

It is nice that you don't try to get into everything because that is hard not to do as a one year old. Your clothes will be packed in my sack tomorrow as soon as I find my book with your correct sizes. It is nice in this electronic age to find someone who likes to read books and look at pictures. Thank you for your list and I'll see what I can do.

Have a Merry Christmas,

To Santa,

Santa I would like you to get me a dirt bikes and wheelies set. And a star Glider sleigh. Would you get me them please.

From Brett Wayne  
Wilson  
RR4 Rockwood, Ontario

Dear Brett,

Sounds like you're a big fan of dirt biking, my boy, something we don't do too much of in the North Pole. I'll see what I can do to

make you happy this year, but in the meantime, help get things ready for Christmas around the house and don't peek when I land on the roof with my reindeer. They ask about you by the way, so I'll tell them you're just fine.

Hugs and kisses, Santa.  
To Santa,

Please bring me a 3-speed mountain master-power jeep sold at consumers distributing thank you,

love Johann Kron,  
Confederation St.,  
Glen Williams

Dear Johann,

Now here's a young man who knows his stores! We have a Consumers Distributing here at the North Pole, too, so I should have no trouble finding your jeep, especially since you enclosed a picture from the catalogue to help me. I guess you'll need a rugged little jeep to get around Glen Williams this winter, right? Ho, ho, ho.

Love from Santa
