Year-end review

Continued from page B3
ball crown was won by the Burgundy Bares against the Green Bay Hackers.

During the week of Sept. 29 the first Raider training camp only lured four veterans. The GDHS cross country team had their first defeat of the season against other top schools at a York Invitational.

OCTOBER

The first week of October was highlighted by two decisive victories by the Intermediate A Raiders which quelled critics about the weakness of the team during training camp. Five local runners finished the Labatts marathon in Toronto.

During the second week of October Alton won against the Glen Merchants to capture the Intercounty fastball crown. The Georgetown Gemins ignited against Burlington Cougars for a decisive 6-1 win.

The Raiders extended their win streak to six games while the GDHS Rebels enjoyed parallel success on the cross country circuit with their latest win in a High Park running meet.

During the last week of October, the Raiders were handed their first defeat. Centennial Public School dominated at the Halton Cross Country Championships, earning the most pennants.

NOVEMBER

The Raiders have started a downhill slide, losing their second game in as many weeks, this time against Collingwood 5-3. For the second year in a row Georgetown captured the Ontario Mite, Tyke, Atom cross country championships.

Greeks beat out Delrex Smoke Shop 44-38 as the long standing dynasty created by Delrex was claimed to be in peril.

During the second week of November GDHS runners won for Georgetown our fifth straight OFSAA team crown. The Greeks won the flag football championship with a come from behind win over the Dairy Queen.

Hugh Graham was named the 1982 Equestrian of the Year based on point standings earned through six different equestrian events.

During the last week in November the Raiders awakened from their big sleep with 19 goals in two games. In quarter-final action the GDHS Rebel girls defeated Oakville Trafalgar 45-38 in basketball.

To summarize the summer soccer year, it started with the controversy over user-pay in which the soccer executive played a major role in opposing the implementation.

Youth registrations were down by about 15 per cent but one more rep soccer team was added. The Major Pee-wees led by coach Jack White were the most successful, making it to second place in their division.

The Major Atoms deserve a praiseworthy note by beating the league champions after finishing the season by winning only three games.

The Ancient Mariners won their division while the Meteors won the first division in Intercounty soccer. The rep Falcons moulded together a team of youth and experience as they fought to second place in their division.

The town was congratulated for their efforts in making the Neilson-Dorsey field an excellent facility for soccer buffs.
