Snuggle into a Quallofil* polyester fibrefill pillow and you'll feel how it compares to expensive down-filled pillows! It's non-allergenic, lastingly plump and thoroughly washable... just pop it in the dryer for a fresh, new-pillow sleep!

Quallofil* "Dacron" polyester fill with a unique, 4-section air shaft for super fluffiness and scrunchability!

*DuPont Certification mark for pillows meeting its standards.
