Junior basketball

The junior boys' basketball team from Georgetown high school was on a losing streak last week.

They played "one of their worst games" last Wednesday. "They were playing individual basketball and their offence was very poor," said coach Mike Sherrard. Georgetown lost to Perdue 37-36.

Last Friday the Rebels lost again, 52-44 to Milton. Despite their poor defensive play the Rebels had a two point lead at the end of the first quarter.

They lost their early lead 40 seconds into the second quarter, ending the half with a three point deficit, 27-24.

Georgetown fell behind in the last half of the game, losing to Milton 52-44.

Dean Marks was Rebel high scorer with 24 points, Gary Hulbert had seven points, and Glen McCaughtry had six points.

The juniors play again tonight (Wednesday) against Oakville Trafalgar at GDHS.

GDHS wrestling

Last Saturday 13 G.D.H.S. wrestlers attended the Grey Highlands Invitational Meet.

The Rebel team beat their arch-rival Fergus by 30 points and all 13 wrestlers finished in the top five.

Geoff Knight and Bob Sweezie earned gold medals in the meet.

Peewees beaten 3-1 by Milton

By SID HARRIS
Herald Special

Monday Jan. 10 in Milton the Standard Products Major Peewees played a good game against the first place Milton team. The 3-1 score for Milton sure didn't give a true indication of the total play.

Milton opened very early in the game when we left a man open in the left hand circle and give him time to shoot. From then on however we carried most of the play but just couldn't capitalize.

Milton went ahead 2-0 late in the second period on a similar type of goal then the third period was again ours. Finally Mark Sheppard put one in from the shot area after some hardwork by Alain Thibault.

This was a power play goal. Milton picked up another late penalty and Steve Eastwood out of the net for an extra man a number of sure goals dissolved into their air as the puck just wouldn't go in the net.

Milton broke the pressure and scored their

final goal into an empty net.

The play of the boys last the game was encouraging for a number of reasons. First each game since Christmas has seen an improvement over the last outing.

Second there is evidence that the boys are trying to play as a unit. The puck is moving to the right spot. The timing is not always right and for sure there are times when it breaks down but on the whole the trend is an

improving one.

The coaches and boys will be working on the

teamwork aspect over the next few practices to be ready for the playoffs.
