## Full agenda set for Jaycee Week '83

Community service is synonymous with the Jaycees Club of Georgetown and to reinforce their commitment to the community, the local club is scheduling a number of events during Jaycee Week Jan. 31-Feb. 6.

One of the special events planned during Jaycee Week is an orientation night Feb. 1. The Jaycees offer an open invitation for 8 p.m. at the Glen Williams Hall for males ages 18-39. No one is obligated to join the club.

The Jaycees offer projects to serve the community but also to enhance the development of the committee members involved with their projects, past-president Jack Lee said.

Another event to be

held, weather permitting, is a toboggan party with donuts and hot chocolate offered by the Jaycees to youngsters at the North Halton Golf Club Feb. 6 between 11 a.m. and 3 p.m.

The national theme for the Jaycees of Canada is the prevention of vandalism. The third event the local Jaycees are working on is a Peter Pride film, made in co-operation with the Insurance Bureau of Canada.

The film, directed at Grade 9 to 12 students, was voted the best educational film of 1982, Mr. Lee said.

Jaycees across Canada are hoping in the near future to show the film to local police forces so that an agreement can be made to show the film in

schools.

In a recent meeting of the Canadian Association of Police Chiefs, it was noted that vandalism is most prominent between the ages of 12-15 years, Lee said.

One interesting statistic Lee used was that 28 per cent of secondary school pupils and 42 per cent of primary students admitted to scratching a car or truck.

According to the Ontario Task Force on vandalism, between 85-92 per cent of school age kids in the 9-15 years age group become involved in some type of vandalism, Lee said.

Mr. Lee and Mr. Greg Marsh are co-chairmen of Jaycee Week in Georgetown. For more information call 877-8767.
