*Major Peewees capture Delhi tourney*

# Standard champions

By SID HARRIS  
Herald Special

Standard Products Major Peewees put in a productive weekend in Delhi over the weekend returning home winners of the championship round A division. This well run tournament had 24 teams in four different divisions.

Probably the toughest game of the tournament for our lads came on Friday night against St. Catharines.

With the inclement weather and injuries we were already playing shorthanded. In addition half the team had been up very early for an all day school skiing trip.

Despite being down 1-0 and going into the third period dead tired the boys pulled it all together. Jason Arnold finally broke the ice to tie the game then Dave Harris put in the winner late in the game for a 2-1 win.

Saturdays' start against Welland was a late one giving the boys a chance to rest up. Ken Langdon opened the scoring on a shorthanded goal from a checking situation he created himself.

Then in the second period Ken found Jason Arnold in the slot and the score was very quickly 2-0.

In the third a long clearing shot by Alain Thibault was on the net. A rebound was given up

which John Lorito pounced on and he doesn't miss from the slot area.

The final 3-0. Unfortunately this was a chippy game with a rather low degree of sportsmanship from the opponents. Our side however, both the boys and coaches can walk with their heads up.

The championship game Sunday against Saltfleet was just a peach of a game, the best the boys have played since before Christmas. Alain Thibault had two first

period goals on nice efforts around the crease area.

Both the first and the second period, which had no scoring, saw some real good hockey. Steve Eastwood was tested on several occasions and had to come up with saves sometimes while on the seat of his pants.

Saltfleet never once gave up and began to pick away in the third with a goal midway through.

Jeff Brady got that one back when he ended up all alone in front of the net

with the puck after a good forechecking effort by Dave Harris. The teams traded goals late in the period this time Mark Shepherd maintained the margin assisted by Arnold and Thibault.

Again Saltfleet narrowed the margin to one however Arnold put the game away in the last minute with an unassisted goal. The final was 5-3. Davin Ciglen, John Lorito and Mark Shepherd had additional assists this game and Dave Chatten out with injuries but his

moral support on the bench, all three games.

Congratulations are in order to the coaches Paul Morrow, Rich Lorito, Nick Kotsos and the boys for a well played tournament. Results of playing a team effort is now showing and the boys are beginning to think.

With continued encouragement and a building on this team play concept the major peewees are going to be a very tough team to beat from here on. Well done everyone.

# Dockery Bantams build on wins

By DEE BUTWELL  
Herald Special

The Dockery Plumbing Tier 2 Bantams enjoyed another win Monday, Jan. 10 when they defeated Milton 3-1.

The Georgetown team appeared to have it in slow gear, probably due to a full-out effort on the previous day when they won the consolation championship game at the Caledon tournament.

However, Jim Manning scored the first goal with only three minutes left at the end of the first period, assisted by John Rogers.

Only ten seconds later, the Milton goalie managed to stop the puck, but failed to cover it, and Jamie Spiller struck gold, making it a 2-0 score. Mike Ross and Mike Chio-vitti assisted in this tally.

Georgetown's third goal was scored by Pat Braund with 22 seconds left in the first period. Upon shooting the puck, Braund's hockey stick

broke, and the Milton goalie followed the stick instead of the puck, and Georgetown was victorious again.

No goals were scored in the second period, by either team. Although Milton perked up for the last period, and scored one goal, it was too late, and the Dockery boys held them off, to win this game 3-1.

Georgetown's luck turned around, when they played Orangeville Jan. 15. It was a match that neither team appeared to want to win very much. Unfortunately, the opposition took the game 4-3. Orangeville took the scoring lead, and then Mike Tyler found the mark, assisted by John Rogers. Orangeville then took the lead at the end of the first period, when the locals were short handed.

In the second period, Orangeville suffered many penalties, and Dockery's Mike Hunter

scored the equalizer from Mike Tyler. Orangeville picked up two more goals in the last period, Georgetown only one.

# Away game loss

Georgetown's Dockery Plumbing Tier 2 Bantams suffered their second loss in a week to Orangeville, Jan. 23.

The locals took the lead 1-0 at the end of the first period, thanks to Pat Braund setting up a goal for Mike Ross.

In the second period, J.D. Rogers hit a low slapshot into the goalie's stick. However, the Orangeville netminder failed to cover it wisely, and Mike Tyler wasted no time in taking advantage of a scoring opportunity, and added another tally. Jim Manning assisted on this second goal.

Orangeville fought back for three unansw-

ered goals, as Georgetown defence failed to clear the puck out of their end.

Moving into the last fifteen minutes of play, once again Pat Braund passed the puck to Mike Ross, who beat the goalie for the second time, for the equalizer.

Again the Dockery team took the advantage, when Neal White slid one in, assisted by Pat Braund and Mike Hunter.

It was Pat Braund's third assist in the game. Unfortunately, Orangeville put their act together and counted twice ousting Georgetown 5-4, as victory slipped through the hands of the home.

leaving Mike Hunter to set up the goal. It was a very disappointing loss for the Georgetown team.

## Falcons preparing

FALCONS PREPARE FOR '83' This coming Sunday the Falcons Soccer Club prepare for the coming season, hoping for the success of 1982 to continue.

The seniors will again operate in the Toronto and District League and will also operate their second team in the reserve division of the Toronto and District, hoping to maintain a steady flow of players already playing the brand of soccer needed to continue the push towards the top.

Pre-season training begins Jan. 30 in the GDHS gym number 3 from 4 p.m. to 6 p.m. All players intending to play for the club should begin as early as possible to attend. All players, new and old are welcome, including over age juniors from last season.

The Falcon Jr. "B" will be in the same gym before the seniors from 2 p.m. to 4 p.m. Jan. 30. The same thing applies to them, they must start to attend as soon as possible.

This will be the last season as juniors for the nucleus of the team and the coach is hoping for an exciting and fulfilling season with the boys.

All our coaches are registered and experienced and are preparing a schedule of training needed to achieve a quality performance.
