

### Meet Herald's feature team

The United Fire Safety Novice Reps have been doing well in recent league play. Seen here are the team members (front row, left to right) Kevin McMurray, Peter Cambouris, Steven Wright, Ryan Ward, Tim Presswood, Greg Dobbin, Ernie Pearce.

David Frost, (middle row) Ryan Pells, Jeff Pasma, Stephen Leoni, Shawn Pearson, Jeff Wright, Chad Perryment, Brent Wasylenko, Chris Barrow, Scott McGulgan, (back row) Hal Pells (manager), Brian James (coach), Larry Reaume (Assistant coach.)

### One bad game and one good one

Try as they might, the United Fire Safety Novices had one bad game and one good game, but the scores still indicated two losses for our rep hockey team.

Saturday against Dundas the Novices were ousted 10-3 in a game where an opposing forward scored eight goals against Georgetown.

Tim Presswood for Georgetown scored the first goal assisted by Scott McGulgan and Ryan Pells. Then Dundas came alive for the next six goals. It was 4-1 after the first period.

Thanks to Jeff Wright assisted by Shawn

Pearson, Georgetown scored 30 seconds into the third period.

Then teammate Tim Presswood scored a goal assisted by Ryan Pells.

On Sunday Georgetown lost to Burlington 3-1 and they played much better than the night before, coach Brian James said.

Against a very tough opponent, Greg Dobbin scored for Georgetown assisted by Ryan Ward and Peter Cambouris. The game was tied at 1-1 with five minutes left in the game. The rep Novices play again Sunday in Flamboro.

### Don't sit on your thumbs

If you don't care about our fishery, sit on your thumbs. If you do then the Ontario Federation of Anglers and Hunters annual convention is important to you. Register now at 5 Dale Court, St. Catharines Ont. L2M 1K9.

Remember the Federation is working extra hard now on the Tripartite agreement between the Government and our Native peoples. They need all the support they can get. The Ministry of Natural Resources have agreed to an advisory committee to assist the Minister in implementing the new Indian fishing agreement, but that is not enough.

We want the agreement cancelled as it is too strong in favor of the Indians. Minister Alan Pope stated to the Ontario legislature the agreement "can only come into effect by amendments to the Ontario fishery regulations. Until these regulations can be reviewed by the provincial (advisory) committee, the status quo will remain."

#### CONVINCE OUR REPS

In other words, we the sports people of Ontario must convince our governmental representatives that it must not go through.

#### SIMCOE TROUT

Some excellent fishing for trout on the west side of Simcoe with Sturgeon Bay near Waubaushene also reporting good fishing, this time for Pike. Good ice on the bay at Owen Sound now, and I will be there this Saturday and will report back on what's happening.

As reported here earlier, the Pike fishing on Fairy Lake in Acton is slow. The swans that the town work crew removed are now all back along with over one hundred Canada Geese and numerous ducks. The pollution from the concentrated birds is tremendous. Let's hope the problem is solved in a more efficient manner, and on a permanent basis.

Kortright Centre for Conservation is busy with winter activities, with a show of Glen Loates works Feb. 4 - 27, birdhouse workshops Feb. 20, 26, and 27 at 11 a.m. to 2:30 p.m. Feb. 26 is their Owl Prowl when they search for owls starting 7:30 p.m.

The Camping on Wheels Show starts Thursday Feb. 3 (tomorrow) 5 p.m. to 10 p.m. and running through till Sunday. The Great Canadian Lumberjack show will be a highlight for the family. See it along with Canada's Nation Casting Team for fishing persons. Automotive building, Exhibition Place, Toronto.
