## McNally Firefighters unbeaten since Dec.

In the last game of league play this season, the McNally Construction Firefighter Major Atoms hosted Ancaster at Memorial Arena Jan. 27, skating away with a 5-3 win.

In period one, Joel Burton counted at 8:57 for Georgetown when he deflected Kevin Usher's hard shot from the blue line which had been passed from Mark Lortio. Ancaster tallied to tie the game.

Two minutes later Wade Serjeantson beat the Ancaster goalie on a play initiated by Mike Melville and David Hodgson to give the locals a 2-1 edge at the end of this frame.

Scoring at 5:06 of the second period was Andy Pearce on an unassisted

effort from the high slot area and Georgetown's fourth goal was scored less than a minute later by Mark Lortio, assisted by Shannon Finn. With 22 seconds remaining, Lortio returned the favor setting up Shannon Finn who put Georgetown ahead 5-1.

Ancaster came back with two goals in the third stanza but it wasn't enough. At 1:55 Chris Bechard and Kevin Usher set up Wade Serjeantson with a nice passing play from behind the net giving Wade his second goal

## Minor Bantams end Burlington streak

By RONLEFEBVRE Herald Special

The Georgetown Optimist Minor Bantams completed a successful regular season with wins over Burlington and Orangeville this past week.

Tuesday night in Burlington in one of the best

games of the year, Georgetown ended Burlington's 14 game unbeaten streak with a hard fought 4-3 victory.

The action was fast-paced back and forth with good checking exhibited by both teams. The Optimists came back from a 2-1 first period deficit to

take a 4-2 lead early in the third, then after a Burlington powerplay goal our boys displayed the type of tight checking that is necessary in playoff hockey to hang on for the win.

Mark Moody led the locals with two goals. Tim Bennett had one and Rob

Cooper scored the winner. Assisting on the goals were Stephen Fletcher (2), Sean Finn, Paul Smith, Rory Kennedy and Terry Dixon.

Thursday at home Orangeville were the visitors and the Optimists made short work of them scoring six times in the first eleven minutes and then coasting home from there for a 7-1 victory.

Scorers for the locals

were Mark Moody, 1 goal 3 assists, Jeff Amato, Paul Smith, Tim Bennett and Bill Herman all with one goal and one assist, Terry Dixon and Dennis Doucette one goal each, Rory Kennedy two assists and single assists to Sean Finn and Craig Chandler.

The Optimists finished the regular season with a 21-6-3 record in second place one point behind arch rival Milton.

They also had the best goals for (139) and goals against (85) in the Tri-county league.

Congratulations to all of the members of the team, especially the fine defence of goaltenders Joe Balson and Greg Tuck and defenceman Mark Dunning, Mark Zebede, Craig Chandler, Sean Finn and Dennis Doucette. Good luck in the playoffs!

A regional free throw championship will be held in Brampton in about two weeks and later in the year, the Ontario Knights of Columbus will host a provincial championship.

## Goaltending sparks 2s

The Liftech Atom Tier II's continue to receive solid goaltending from Ron Desrosiers and Richard Rivard as the duo posted the team's fourth shutout of the season with a 2-0 victory over Milton.

Steve Kokelj scored the only goal of the first period with assists going to Sean Gardner and Steve Alchin. The teams skated through a scoreless second period, and then Sean Gardner notched the insurance marker from Chad Bailey midway into the third period.

This match was an example of Georgetown's ability to play sound defensive hockey which has resulted in a

**TWO-STORY COTTAGE IDEAL FOR NARROW BUILDING LOT**

This three-bedroom, one and one-half storey leisure home is ideally suited to the narrow frontage recreational building lot. It provides nearly 1,200 square feet of well-organized finished floor area, for present use, and a further area of approximately 300 un-finished square feet for future development. The horizontal channel siding, frame chimney and heavy shake roof of the exterior finish, allied to the wide front-facing verandah, provide a solid traditional facade which is both durable and easily-maintained over the years. For those who prefer, the roof could be alternately finished in more conventional shingles.

The weather-sheltered, porch-style main entry leads into an energy-conserving, vestibule-style reception foyer and outdoor storage area; from which traffic moves either right into the kitchen-dinette combination, or left into the formal living room. The living room features a dramatic vaulted ceiling which is open to the second level gallery, a raised-hearth zero-clearance fireplace, and sliding glass doors leading onto the front-facing verandah.

The well-organized L-shape kitchen-dinette combination faces the front of the cottage. The kitchen has generous counter-top work surfaces, ample cupboard storage and a step-saving work triangle configuration. The dinette area features a deep and wide projecting window, the small-paneled glass panels of which lend great charm to the room.

A rear entry connecting to the carport through an external storage area could be enclosed as a vestibule entry, to conserve energy and provide additional security.

The master bedroom is positioned on the lower level, to the rear of the floor plan. It features a sliding glass door access to the private elevated rear deck. A separate entry to the three-piece master bathroom enables the latter to do double duty as an ensuite for the master bedroom.

The two secondary bedrooms are positioned on the second level, accessible via stairway opposite the rear entrance foyer. Each has generous closet storage and good exposure for view, ventilation and natural light. The long rectangular un-finished area adjacent to the bedrooms could be developed later as additional guest accommodations, a bedroom lounge area, or as "sate" play area for younger children.

Plans for design No. 1-1177 may be purchased either by the single set, at a cost of \$135.00 for the first set and \$26.00 for each additional set, or by the first set. A five-set plan package, including the first set, is economically priced at \$185.00 and an eight-set package, also including the first set, is only \$235.00.

Whichever method you choose, please include \$9.00 for postage and handling. Ontario residents please add 7% sales tax.
