

Major Peewees tuck it in

Peewees leave them holding the big 0

By SID HARRIS
Herald Special
Well not really disposed but the Major Peewees won. At home on Sunday Dundas opened the scoring mid second period but then ran into a couple of penalties where we capitalized.

Jason Arnold started it off with three minutes to go on a two man advantage. Before Dundas was at full strength Ken Langdon made it 2-1.

Then before the period ended Ken broke the back of Dundas when with our side two men short, he beat two defencemen to on laced puck, took it around the net and tucked it in.

In the third period we again scored two goals in less than a minute Jeff Brady getting the first and John Lorito the second on a two on one situation.

Alain Thibault had a good game with three

assists. Other assists went to David Ciglen, Dave Harris and Jeff Brady. This was a well played game with the boys moving the puck around pretty well resulting in some nice play action. Final score 5-1 for the good guys.

The second game in Dundas produced no play action at all until the last four minutes of the game.

The team was really struggling in this one, passes weren't clicking, clearing efforts didn't get cleared and offensive give ups resulted in numerous 3 on 1 or 2 on 1 situations where Steve Eastwood in goal had to be particularly sharp.

We opened the scoring in the first on a power play with John Lorito doing most of the work and Jeff Brady batting in a rebound.

Then Dundas went to work and scored four unanswered goals

through to the early third period. Alain Thibault of one back from a scramble on a power play assisted

by John Lorito. Dundas got that one back very shortly to make the score 5-3. Just when

the fans in the stands had given up hope with three and a half minutes to to the boys came alive.

Trevor Harkley started it off with Lorito and Ciglen assisting. Then Trent Burton skated through the whole Dundas team from goal line to goal line to put us within. Ken Langdon from Thibault sent the game into overtime.

On a full 10 minute overtime Jason Arnold figured enough was enough and scored not only the winner but two more just to make sure.

We really didn't deserve the second win however Dundas decided to lay back just when our boys decided it was time to play some hockey. The next playoff opponent is Milton. This should be a good series.

Skating to be Canada rep

Georgetown figure-skater Darren Kemp will have a chance to be selected on the Canadian team going to the World Championships March 8 in Helsinki.

Thursday (yesterday) Darren was competing in the Men's Novice Division for the Canadian Figure-Skating Championships. The Montreal-based competition began Wednesday and continues until Sunday.

The 15-year old came fourth in the figure-skating divisionals in January, then he went on to an overall third place finish based on the performance of his free skate routine.

By GARY LANE
Herald Special
The Georgetown Candy Company Peewee's had their biggest rout in Tier II action Saturday with a 9-0 win on Orangeville ice.

Scott Cunningham scored the only goal the Candyman would need at 5:34 of the first period. The assist went to Glenn Mulder who bagged a goal of his own at 5:34 of the middle period. Both Jim Lowry and Teddy Weatherall picked up helpers as the second period ended 2-0.

The game remained close in the early going of the third period before Georgetown fired seven

goals in the last eleven minutes of the game.

Danny Lane led the assault picking up two goals and three assists while his linemate Chris Bewley had a pair of markers. Scott Lunn added a goal and two assists with Jim Lowry netting a goal and another assist. Wayne Snow was credited with the other Georgetown goal with an assist each going to Kevin Roe and Chris McCarthy.

Johnny Stefan had a flawless game between the pipes with excellent help from his defenseman Pat McCarthy, Paul Howlett, Frazer Dougal, Chris McCarthy and Roger Alchin.

Sports in brief

Fund-raiser

The Georgetown Chrysler Raiders are co-operating with the Lions Club of Georgetown in a Lion's fundraising event.

For the Raider's home games Friday against Barrie and Saturday against Port Elgin this weekend, the Lions club will be selling the majority of the tickets.

Anyone buying the special Raider tickets with the Lions club logo will be helping to support the club's community projects.

Meanwhile, the Raiders might be starting their first game of the playoffs against Barrie Feb. 11 if Georgetown finished in first place.

If Georgetown finishes the regular league schedule in second place they will play Barrie Feb. 9 and host the second game Feb. 11.

The first place finisher is decided by total points. Collingwood and Georgetown are currently tied for first but the Raiders have more points with two games remaining.

Correction

In a picture the Herald ran on Page four of the Sports section Wednesday, Feb. 2, one of the Knights of Columbus basketball throw winners was left out.

Shannon O'Donnell should have been included in the list of winners. The Herald regrets the error.

Colorful Cherry

Tickets are still available to see the colorful Don Cherry, former NHL coach to both the Boston Bruins and the Colorado Rockies. Cherry will be guest speaker at the Geminis Celebrity Night dinner.

The dinner, scheduled for Friday Feb. 11, will also feature former NHL referee John McCauley who lives in Georgetown.

With the Boston Bruins Cherry had a 231-150-64 win, loss, tied record over a five-year-span.

In 1979 Cherry started with the Colorado Rockies as their coach. He then moved on and became coach of Team Canada at the World Championships in Sweden in 1981.

Cherry is now a color commentator on Hockey Night in Canada and Wednesday nights he is host of a Sports Variety Show called "Grapes Place".

One biography described Cherry this way, "By far the most colorful and candid coach in the NHL and maybe all sports. Cherry's wardrobe and his pit bull terrier "Blue" have gained him attention from all corners of North America."

Tickets for the dinner, which cost \$25, are available from Harvey's Firestone or from a member of the Georgetown Junior B Executive.
