The Living Word' film

"The Living Word", a new film produced by World Wide Pictures, will be presented by The Mountainview Baptist Church, 102 Mountainview Road South, April 9 and 10 at 7:30 p.m. The showing is free and open to the public. The Saturday evening presentation will be in the Centennial School, 239 Debrae and the Sunday evening presentation is in the church building.

Featuring narration by Billy Graham and Cliff Barrows, the film weaves together Scripture passages, great works of religious art, music, and

some of the most stunning colour footage ever filmed in the Holy Land. The film touches the heart and mind of the viewer with its relevance to twentieth-century mankind. Rich in visual beauty, and enhanced by a powerful, original, musical score, The Living Word brings the pages of the Bible to life in a fresh new way. The Reverend E. Dean Tate, pastor of Mountainview Baptist Church, is extending an invitation to all to attend. The Living Word is an outstanding film for anyone who has unanswered questions about just what the Bible means to us today.
