Local team takes tourney

DeBoer's Movers of the Georgetown Industrial Hockey League swept through four games to win the Ontario Ministry of Transportation and Communications Hockey tournament last weekend in Oro.

Strengthened by several roster additions, including goaltender Brad Miller and forward Tim Turner of the Intermediate 'A' Chrysler Raiders, Junior 'B' Gemini players Chris Peavoy and Riv Kennedy, and Sheridan College scoring leader, Doug Barnes, the Georgetown entry downed a team from London 6-2 to take the title Sunday afternoon.

Former Gemini forward Bill Taylor, who now works as an advertising salesman at The Herald, captured the tournament scoring title with five goals and four assists. Taylor notched a hat-trick in the championship game.

The most dramatic goal

of the tourney belonged to DeBoer's regular Ray Peacock, though, who found the mark with 28 seconds left to play to lift Georgetown to a 4-3 semi-final win over a team from Midland.

The local entry began play in the tourney Friday night with an easy 13-1 victory over a team called OPA, then came back the next day to down a Barrie entry 7-4.

DeBoer's will host the ministry tournament next year.

Trout season coming

Local anglers can attend a "Trout Festival" this weekend at the Kortright Center near Kleinburg, to learn about such topics as fisheries management, the Community Fisheries Improvement Program, "Save Our Streams" and the local conservation authorities.

The festival gets underway at 10 a.m. Saturday, with a talk by Professor Trout, a three-foot long fiberglass fish.

There will also be films about the latest improvements in fish habitat and a guided hike on which you can witness examples of stream improvement, and receive some first-hand tips on how to find the best fishing spots, and how to speak up on fish.

Sunday the festival will feature a couple of special guests. Jack Imhof of the Ministry of Natural Resources will present a slide show on trout habitat at 1 p.m., and Fisheries Biologist Al Walnio will discuss his specialty.

Also on Sunday, members of the Izaak Walton Fly Fishermen Club will demonstrate fly-casting, tying, fish handling, cleaning and smoking.

The Izaak Walton members will be at Kelso Conservation Area Sunday, May 22, to demonstrate fly-fishing, rod building and fly making. That begins at 10 a.m.

The third annual Kelso Trout Fishing Derby will be held the weekend of May 7-8, beginning at 7 a.m. on the Saturday. Registration is \$3, with

under-12's and seniors allowed in for \$2. Camping is available, there will be barbecues for on-the-spot fish fries, and a pancake

breakfast at the snack bar. Prizes will be awarded daily for the largest fish, the best mess, and in the other categories.
