

Chickens are winners and the Optimist Drug Abuse Committee selected (front, left to right) Debby Welling, Grade 6, of Centennial School, Graham McNeil, Grade 4, of George Kennedy School, Patricia Oosterhof, Grade 5, of Georgetown Christian School, (back, left) Jennifer Van Raamsdank, Grade 8, and Esther Gerrits, Grade 7, of Georgetown Christian School as the top winners in each grade for the best overall essay or story from all Georgetown schools. Seven schools with students in Grades 4 to 8 participated in the competition, with the top winner for each grade invited to a special Optimist Father and Kid Night April 12 where they were presented with their prizes.

## Museum Friends

A meeting reactivating the Friends of the Halton Museum will be held on Thursday, April 20, 1983 at 7:30 p.m. in the Museum located in Kelsa Conservation Area, Milton. The Friends is the volunteer group for the museum.

Although the Friends have not been active in the past year, the pending provincial bi-centennial celebrations plus the museum's plans to make the institution a vital, dynamic cultural centre in Halton, makes it imperative that the institution be supported by members of the community, according to Ernie Buchner, Curator of the Museum. The Friends is a good vehicle for people to become involved.

For further information call the Museum at 878-3232.

At the Grand Prix Kub Kar Kraze, thirty cubs from North Halton District attended the Regional Rally held in Milton recently. (Left to right) Steve Hayden, won second place for design of his Kub Kar, Todd McGivern won second place for fastest Kub Kar - tied with Chris House of 1st Norval - and also attending the Rally was David McDonald and David Chambers. Cubmaster Ken Nokes was at the event to present awards.

## CUESTA is now off the presses

The seventh edition of CUESTA, the Niagara Escarpment Commission's Information magazine, is now off the press and available at N.E.C. offices in Georgetown, Grimsby and Clarksburg.

This issue marks the tenth anniversary of the formation of the Niagara Escarpment Commission which was entrusted with the preparation of a plan that would protect the Niagara Escarpment as a continuous natural environment. The release, in February 1983, of the Hearing Officers' Report represents a major step in the finalization of that plan.

CUESTA provides an update on the twenty-six month hearing process together with an overview of the plan approval process in addition to highlighting articles of general interest.

The lead story in the 48-page publication is a profile on artist, naturalist and Commission member, Robert Bateman. The front cover in addition to a four-colour centrepiece features the work of this internationally-renowned artist.

A complementary article features an exclusive interview with artist-naturalist, Roger Tory Peterson, author of the enduring birdwatchers handbook - A Field Guide to the Birds.

## HOME OF THE WEEK

SPLIT LEVEL HOME WITH STYLE,  
SPACE & CONVENIENCE

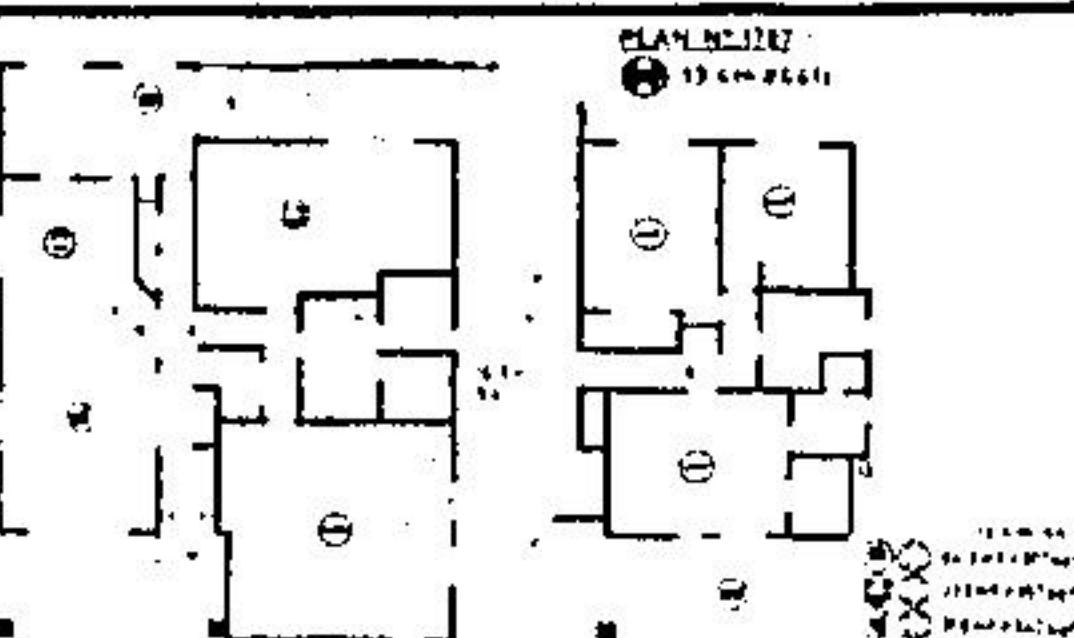

This side-split level home design is perfectly suited to the medium frontage residential building lot and provides almost 2,800 square feet of well-organized finished floor space on its two levels. The well thought-out floor plan provides a wide range of amenities certain to please the medium-size family which desires style and convenience at every turn. The wide, handsome exterior may be finished in a variety of siding alternatives, and with either a shake roof or more conventional shingles.

The wide elevated main entry leads into a compact reception foyer and over-size storage area, from which traffic moves naturally to the left and down two stairs into the sunken living room. The living room features a sloping beamed ceiling, full-width windows and a raised-hearth masonry fireplace for convivial "at-homes". The elevated formal dining room separates from the living room by means of an optional spindle screen wall, and from the kitchen-dinette via space-saving pocket door.

The well-planned enclosed U-shaped kitchen provides generous counter-top work surfaces, abundant cupboard storage facilities and an efficient triangle configuration. The work counter presently dividing the kitchen from the dinette could easily be modified into a snack-bar counter, for those who prefer.

A very large family room area provides more than 350 square feet of finished floor area for family recreational space. A spacious service complex adjacent to the family room contains a laundry/utility core, a three-piece vanity bathroom with shower, and makes provision for an enclosed sauna for the health-conscious homeowner.

A double enclosed garage, with space for the installation of a work-bench for the home handyman, completes the lower level convenience

features of this fine home design.

All three bedrooms are positioned on the second level, over the garage and family room areas and well away from the main entertaining area for freedom from disturbance when entertaining guests late at night. The large master bedroom has a full walk-in closet, a three-piece ensuite bathroom with shower, and a sliding glass walk-through which provides easy access to the front-facing balcony.

The master bathroom has twin vanity sinks to increase bathroom flexibility and ease morning traffic pressure.

An especially logical and convenient lay-out which offers spaciousness and a sense of luxury in an eye-appealing package.

Plans for Design No. 1787 may be purchased either by the single set, at a cost of \$13.00 for the first set and \$12.00 for each additional set, or by the package. A five-set plan package, including the first set, is economically priced at \$65.00 and an eight-set package, also including the first set, is only \$23.00.

Whichever method you choose, please include \$3.00 for postage and handling. Ontario residents please add 7% sales tax.

Send for the current edition of Select Homes Magazine, series 56, featuring imaginative decorating and home improvement ideas, plus 120 quality home and cottage plans of every type. Available for \$12.25 (\$2.00 plus \$1.25 postage and handling).

To order any of these items please send cheque or money order payable to the Home of the Week. Address to: Home of the Week, c/o The Halton Hills Herald, Unit 1, 131 Carlingview Drive, Rexdale, Ontario, M9W 5E1.
