

Morally incorrect juggling deficit: MP

By GREG KEENAN
Herald Special

The Liberal government spent \$75 million on youth unemployment and \$200 million to keep the job of Finance Minister Marc Lalonde, Brampton-Georgetown MP John McDermid says.

It's "morally incorrect" for Mr. Lalonde to juggle the deficit figures in the 1983 budget by \$200 million after showing the budget to a Hamilton television crew last week, the Progressive Conservative MP said.

JOHN McDERMID

Mr. Lalonde raised the deficit by \$200 million after a Hamilton crew filmed parts of the budget document showing a deficit of \$31.3 billion.

WE'LL BENEFIT
But Mr. McDermid said Brampton residents will benefit from a large number of tax incentives for small businesses included in the budgets and the doubling of the child care expenses tax deduction.

That change will allow \$2,000 tax deductions per child to a maximum of \$8,000 per family.

Meanwhile Liberal MP Doug Fisher, (Mississauga North), Mr. Lalonde's parliamentary secretary, says the private sector advised the government to use the tax system to put money in the hands of businesses to create jobs. "Job creation has to be the number one focus," Mr. Fisher said in a telephone interview from Ottawa.

The government expects that by the end of 1983 600,000 new jobs will be created, Mr. Fisher said.

Although there is a \$4.8 billion job creation plan in the budget, which will help raise the deficit, Mr. Fisher said taxes to be imposed in 1984 "are an indication that we intend to pay back these things and not keep a high deficit indefinitely."

TAX HIKES
The taxes include an increase of one per cent in the federal sales tax at the manufacturing level plus increases in sales tax for tobacco, alcohol and construction materials.

But Mr. McDermid said there's no indication the Liberal government plans to cut out the waste and inefficiencies in its administration.

"The Liberals are pumping money in now, and when the Tories come to power in 1984, we're going to have to pay the bills," he said.

The removal of the \$100 tax deduction for charitable donations is "a major tax grab", which will hurt the volunteer sector, Mr. McDermid said.
