

# Watch movies in the privacy of your home

By KELLY NORGATE  
Herald Correspondent

How 'bout a movie? You can watch your favorites in privacy of your own living room with a little help from H and H Video. They'll even supply the popcorn free!

They rent VHS and Beta Video cassette recorders to the public any day of the week. No matter when you rent, you'll end up with at least one free movie to watch - and there's quite a selection. Manager Randy Humeniski boasts how his business is rated by Sony as one of the top five in Ontario for movie selection.

"We put Georgetown on

the map," says Randy. H and H Video carries over 2,500 movies to cater to every taste and preference of today's moviegoers. Employee Bev Boulton adds that they ask a movie membership fee that's lower in price than most other video stores. With a membership, the customer can obtain movies at a reduced rate.

If you'd like to have your own video machine, the store presently offers a special on a Sanyo 3900 Belamax, says Bev. In addition to Sanyo, H and H Video also stocks Atari and Intellivision video equipment complete with game cartridges.

Because it is Georgetown owned and operated, the business is more than generous in supporting local non-profit organizations. These include the Geminis, Lions, Jaycees and the Kinsmen to name a few.

"The list is countless," adds Randy.

H and H Video has been in operation in Georgetown, for over a year and a half as the concept of video entertainment becomes more and more popular.

They are located in the Georgetown Market Place. You no longer have to go very far to take in some of the best movies in the entertainment world.

## Jo Brabant can save you money

Her expertise is in pool chemistry

Jo Brabant of Acadian Pools Ltd. wants to save you money. Her expertise lies in the field of pool chemistry. Acadian Pools offers one of the best chemical water testing programs on the market according to Jo. The water analysis is highly sophisticated and very accurate, so far advanced that it's computerized. The system can save you money and eliminate the 'trial and error' aspect of pool maintenance, says Jo. As a plus, her computerized water analysis is free.

The business advertises the sales and service of Buster Crabbe Pools by Cascade. These inground vinyl pools come in 67 different shapes with a 15-year transferrable warranty. Jo also sells Bio Guard chemicals and various pool accessories.

Last summer due to the unfavorable weather, business was not as good as Jo had hoped. This year, already there has been a significant boost in sales.

In addition, Jo feels that her pool care service provides a better and

more personable assistance to her customers. "I take everything to heart," said Jo. As a resident of Georgetown she thinks of the business as a family type of thing. Acadian Pools Ltd. has been in operation here in Georgetown for over 20 years. For the last 9 years, Jo Brabant feels she has maintained a genuine concern for her customers and their needs in pool care. You can find Acadian Pools at 134 Guelph Street, across from Dominion Seed House, in Georgetown.

## Cards as presents

If you have trouble selecting the perfect card or gift for someone you care for, consider UNICEF this Spring! You won't have any difficulty when choosing from the new UNICEF collection. The sale of these original cards, stationery and gifts helps provide safe water, food and medical care to children in 111 countries who need our help.
