## CARDS OF THANKS

### THANK YOU

The family of the late Lloyd Hillman wish to thank their many friends and relatives for the tremendous help extended to us when our wonderful husband and father died of a heart attack on April 27, 1983.

The feeling of love that surrounds us is so beautiful and each of you who is a part of that love, we thank you. The many cards, letters, flowers and charitable donations, meals that were brought in and trays of food always there that were so lovingly prepared has been so comforting, and to my church friends who served at the reception following the service. Our seven grandchildren who were taken care of, sometimes in our home and sometimes in your home, was all appreciated very much.

We are grateful to Bruce and Rhoda Shoemaker, our personal family physician Dr. David Van der Bent, our ministers - Gordon Turner, Andy King and Chuck Beaton for their love and support, Dr. McWilliam, Acton Medical Centre, Dr. Paul Zent, Dr. Li, Mrs. Kirby and Mrs. Armstrong of the Georgetown Hospital team who did everything possible to keep Lloyd with us and always the love of God and our Lord Jesus Christ with each of us.

We have been blessed so much and I will be writing each of you. May God bless and keep you.

Sincerely

Edith and Wendy Hillman
