# Sport peewees take opener

The Georgetown North Halton Sports peewees are off to an excellent start, stopping Oakville 5-2 Wednesday night in their Halton County Baseball League season opener.

Backed by the pitching performance of right-

hander Jamie Brear, who struck out 10 over seven innings while allowing just six hits, the locals rallied from an early 1-0 deficit to take the victory.

Georgetown tied the score at 1-1 in the top of the third, when Evan

Hayter and John Lorito put together back-to-back singles to score Mike Wilkins, who had drawn a walk.

Terry Murphy doubled home Dick Jamer in the fourth to make it 2-1 Georgetown, and the vis-

itors struck for two more in the fifth to ice the win.

After Greg Lawrence drew a base on balls, Hayter singled, and Lorito smashed an RBI double.

Pat McCarthy then singled home Hayter to

make it 4-1.

The North Halton Sports peewees see their next action Tuesday night in Milton, before returning to the Georgetown Fairgrounds for their home opener Wednesday night.

### Track

Georgetown Track Club distance runners were out representing the community in a host of events around the province last weekend.

Bob Parker and Ian Halliwell travelled to the St. Catharines Blossom Festival 20-kilometer race, joining a field of more than 300.

Parker covered the distance in 84 minutes to finish 73rd, while Halliwell was 161st with a time of 97 minutes.

Don Mashinter and Brian Markham joined some 4,300 runners at the Ottawa Marathon on Sunday, and both GTC members finished with personal best times.

Mashinter covered the 26-mile course down the banks of the Ottawa River in three hours and 18 minutes, and Markham crossed the finish line just two minutes later.

Meanwhile, Paul Burroughs and Cam Wallbridge represented the club at the Sunnybrook Hospital 10-kilometer run in Toronto.

You have to have the very best!

The smartly modern split level home design is ideally suited to the medium frontage residential building lot and provides nearly 1,400 square feet of finished floor area, for present use. A partial basement beneath the bedrooms furnishes additional space for future development as a family lounge or recreation room. Roughed-in plumbing for a three-piece bath and/or laundry facility encourages the development of additional convenience features.

The deeply weather-recessed main entry leads traffic into a compact reception foyer, past the formal dining room and naturally left into the long rectangular living room. The living room features a centrally-positioned masonry fireplace and an interesting bow window with full-height glass for natural light and an excellent view.

The spacious L-shape kitchen and dining nook combination provides a step-saving work triangle, ample countertop work surfaces and generous cupboard storage. The kitchen nook separates from the hallway and the formal dining room by means of convenient pocket doors, thus providing excellent separation of formal dining and more casual family meals.

An enclosed single-car garage, with ample space for the development of a workshop for the home handyman, has a weather-sheltered entry

from the side and easy access from the main entry.

All three bedrooms are elevated eight steps from the main living level for freedom from disturbance. Each has ample closet storage and excellent exposure for view, ventilation and natural light. The spacious master bedroom has a three-piece ensuite bathroom with full shower.

A practical home design which affords great visual interest and thoughtful arrangement of available space for the medium-size family.

Plans for design no. 79-1411 may be purchased either by the single set, at a cost of \$135.00 or by the package. A five-set plan package is economically priced at \$195.00 and an eight-set package is only \$235.00.
