

Puff plays

Last Monday night, Burgundy furnished Mostly Golden 13-2. Starring for Burgundy were Betty Kirby and Molly Moore, for her shoe string catch.

Despite the adverse weather the Blue Mooners and Orange certainly were in a high scoring mood. The Blue Mooners were victorious 23-22. Second base player Sheila Andrew was superb in her batting and fielding. Pat Akers hit a beautiful home run. Betty Flick-

ers and Orange certainly were in a high scoring mood. The team had great allies in the last two innings. Orange players Brenda Cole and Julie Fournier were excellent, while the whole team gave a fine effort. It was a close game the

following Wednesday night between the Chocolate Chicks and Royal Blue. The Chicks came out on top 13-11. The whole team gave a tremendous effort with Barb Cleave starring on her supportive fielding and

batting. Royal Blue player Linda Jennings was consistent at bat. Knight Riders put forth a good team effort in defeating the Leprechauns 9-6. Linda Perkins led her team with a home

run. Linda Bralsby was solid at first while Sally Humberstone had a strong arm in to second from the field for another stopping throw. The Red Barons were flying as they earned 24 runs, against Calee

Green's 9. Betty Simonyi was tough on the mound while she also made some good infield plays. Janet Mather hit a beautiful homerun, bringing in three. Cindy Bushell was also strong at bat. Dini Adams pitched a strong

Calee Green. Kara MacKie was noted for her good fielding play.

Lawn bowling

Meet the President

As far as Bill Percy knows, the Georgetown Lawn Bowling Club has been in existence since 1908. It was started by James McKane and his wife Elizabeth. The rural location of the bowling greens were purchased in 1917. The club joined the Dominion and Central Clubs Association in 1914. The club participates in local tournaments that run all summer. Members meet during the winter once a month to play euchre.

BILL PERCY

Mr. Percy is the club president and has been since 1981. There are about 50 people participating. In 1981, the Junior Trebles (girls) placed second in the Ontario championships (8 to 18 yrs.). If interested in membership, the greens are located on the Fourth Line West, or contact Mr. Percy at 877-7674.

Hunt safe

Want to earn your hunter's licence this year? Then phone The Metropolitan Toronto and Region Conservation Authority and sign up for their hunter safety course scheduled for June 6, 8, 9 and 12, at Cold Creek Conservation Area.

Pre-registration is essential for the program, which runs from 7 to 10:30 p.m. weekday evenings and from 10 a.m. to 6 p.m. on Sunday. Under the direction of Lou Romhanyi, hunters will learn about proper gun handling, maintenance, new developments in firearms, gun regulations, sportsmanship and ballistics through lectures and practical demonstrations. Cost of the course is \$30, which must be paid in advance to the Metro Region Conservation Authority. To reserve your space, phone 661-6600, extension 286.

Cold Creek Conservation Area is located midway between Bolton and Nobleton, 3 km north of the King Sideroad, on Concession Road 11.

Running clinics

The Canadian Track and Field Association's plans for the programme embrace from specially-designated days for Women Runners and Disabled Runners to Learn to Run clinics and events for complete beginners of all ages, and early indications from the organizing network set up across the provinces and territories are that more than 10,000 will be out and running on the first day alone. Bruce Keele of Saskatoon, chairman of the Run Canada Committee, points out that the universality of running is probably the most important idea that Run Canada is emphasizing with this event.
