**THE REGIONAL
MUNICIPALITY OF
HALTON
PUBLIC WORKS DEPARTMENT
NOTICE**

The Region of Halton is working towards obtaining an increased supply of potable water for the residents of Halton Hills (Acton.) There is no problem with the supply of water at the present time. This could change during the coming summer months if a high demand is placed on the system due to unusually dry weather conditions.

Accordingly, it is requested that all residents conserve water so that it will not be necessary to impose water restrictions this summer.
