Crawford Lake journey proved scenic

By **Walfred Smith**
Herald Special
The June meeting of the W.I. was in the form of an outing. Four car loads of ladies, twelve members and three guests met at "Dad's Restaurant in Campbellville for lunch. A happy leisurely time was had around the table, mid pleasant surroundings. Lunch over, the group journeyed a little farther down the road to the Crawford Lake Conservation Area. This is an ideal spot for one to get close to nature. There are trails for hiking and also in the area there is the beauty of a natural lake. It has been proven that years gone by this area was the scene of an Indian tribe.

Walks were enjoyed by the group through the wooded areas. Most of the women walked on the board walk around the lake. Walks over, Mrs. Jamieson presided for the open air meeting. Picnic tables and the edge of the platform were used as seats.

Some business items were discussed including the project of A.C.W.W. which is "Fresh Water for Everyone". It was voted on that a donation be given to purchase a pump for use in the areas where needed.

It was also decided at the meeting that a donation be sent to Halton region conservation authority to further help with the work of beautifying the Crawford Lake conservation area.

There were many favorable comments about the bench which has been placed in the Ballinafad Cemetery. There will be more discussion about it

at a further meeting. Reggie Sisoratis gave a report on the District Annual which she recently attended in Norval. Family and Consumer Affairs Convenor then took over the meeting. Eleanor McLean gave

current events Francis Buckrell gave a brief reading. Meeting then adjourned. Next meeting of the W.I. will be in September, after the summer recess. Friends and acquaintances of Mrs. Flindall,

who had charge of the church here several years ago. We extend sympathy to Rev. Flindall in his loss. Some former residents of the village, Dave and Bonnie Ginter called on the Jamiesons recently.

They wished to be remembered to all their friends here. The Ginters now reside in Whitby. Long-time friends of Mr. and Mrs. Ernest McEnery, and who were well known in the village celebrated a happy occasion

on Sunday, Mr. and Mrs. Golithly were honored by their family and friends to a reception in Toronto. It being their 65th wedding anniversary. Ernie and Ellen accompanied other members of her

family when they attended the happy occasion on Sunday afternoon. The men's choir favored with a beautiful anthem at the church service on Sunday. Not too large a congregation out to enjoy it and the message by Rev. Bandy.

SOCCER
The Minor Squirt team won their game 4-2 on Wed. The Minor Atoms and Major Atoms both

won their games. The ladies' soft ball, also on a winning streak.
Ballinafad won their game against the Maroon Marauders. Next game on Thursday June 9, 6:30 at M.Z. Bennett's field. I appreciate Martha Lewis taking over the news while I enjoyed a month's holiday in England.
