

### Break-ins

Two neighboring Mountainview Road South homes were broken into Thursday. The first was robbed between 9:30 and 10:30 p.m. of a wallet containing \$150 cash and a pair of prescription eyeglasses.

Thieves entered by tearing the front door screen. The second home was robbed of a wallet containing \$312 cash and Wintario tickets. A man's Seiko watch was also stolen. Halton regional police said robbers entered the home through an unlocked door.

### Industry first

A study proposed by Halton's planning and development department shouldn't hold up businessmen who hope to shortly build plants on rural industrial land, Halton's public works and planning committee has decided.

While the study is underway, each new proposal should be judged on its own merits before council decides whether or not to give it a green light.

Noting that there are a few industries carefully eyeing rural-industrial land in Halton Hills, Mayor Pete Pomeroy told the committee that the study should not hold up development currently being considered.

### Quebec tour

Polish up your high school French. St. George's Anglican Church in Georgetown is sponsoring a tour of Quebec City and the eastern townships for the Labor Day weekend. The bus tour leaves Friday, Sept. 2, and returns Monday, Sept. 5.

Accommodations will be at the Maison Rivier near Magog. Cost is \$150 per person. For more information, call the church at 877-8044.

### Campaign begins

The Recreational Rehabilitation Society of Ontario, a newly formed non-profit charitable organization in the Province of Ontario, will be commencing its first annual fund raising drive in the Halton Hills area starting June 27th, 1983.

The purpose of the Society is to ensure that all disabled individuals, regardless of disability or financial means have the opportunity to experience an outdoor recreational program.

The campaign will be in the form of telephone canvassing, change boxes, mail requests, all being done with the help of people from the community.

The Society's Provincial target for this year's campaign is \$870,000. Revenue generated from this campaign will be used by the Society for renovations of its outdoor pursuits centre, Camp Miklahawnee.

## Magical Mystery Tour

The Halton Hills Public Libraries are pleased to announce that due to the support of the Summer Canada Student Employment Program and the Outreach Program of the Ministry of Citizenship and Culture, the Magical Mystery Tour for children will depart June 29.

The Library will offer a full range of children's and young adult programs this summer. Preschoolers have two programs to choose from: The Munchkin Club members will have stories, songs and films every Friday. Junior Scientists will meet at the Library Lab on Tuesday afternoons. School-age children have a wide range of programs to choose from, with the annual Summer Reading Club being the most well known.

Mad Scientist Specials will give children the opportunity to meet experts on a variety of topics ranging from chemistry to amphibians. Wednesdays will be exciting, unpredictable days at the Library. A Spy School, Teddy Bear's Tea Party, and many more exciting events are planned.

Due to popular demand, we will once again Munch to the Movies on Thursdays at noon.

Young people are invited to drop into the Georgetown Library on Tuesday evenings or Acton Library on Thursday evenings when we will offer a wide range of activities, including a Dungeons and Dragons tournament and a baby-sitter's Night.

Please contact the Acton Library, 853-0301, or the Georgetown Library, 877-2681, for more information about summer programs.

The Magical Mystery Tour departs from the Acton and Georgetown Public Libraries on Wednesday, June 29 at 1 p.m. All readers are invited to apply for their Magical Mystery Tour Reading Club passport and travel to magical, mysterious lands via books. At 1 p.m., magician Tom Kubinek will be entertaining in the Acton Library's Departure Lounge, and in Georgetown at 3:30 p.m.

## Farewell wishes

By JEAN LAYMAN  
Herald Special  
Farewell wishes with a baptism was in store for scoutmaster George Henderson last Monday night.

Troop scouter George Henderson is taking a leave from scouting. George has been at 1st Georgetown as a scouter for eleven years. Before going to St. John's, George was a troop scouter at 2nd Georgetown - St. George's Anglican Church for two years.

George was a cub at 1st Limehouse, then going to 3rd Georgetown, Knox Presbyterian Church under the leadership of Vic Gunn and the late Norm Herbert, to become a Queen Scout.

A swim party was held in George's honor for his faithful service to scouting at the home of Wayne and Doreen Pollitt. Much to George's surprise several scouts, with great difficulty, tossed scouter George into the pool - clothes and all. But with

the hot humid evening the toes was worth it.

The group committee chairman Al Johnson thanked George for all of his service. A presentation of a Thank you plaque and scouting ring was presented to George. Mrs. Evelyn McCallum, president of the scout ladies auxiliary at 1st Georgetown presented Mrs. Henderson with a Trillium Sun Catcher for sharing George to help the scout troop over the years.
