

Georgetown IGA bantams shutout Milton in house league play

The following is a summary of the Georgetown Youth Soccer Club boys bantam house league over the past month.

Georgetown I.G.A. vs Milton Best Family - The Georgetown team's physical advantage played a large part in this 8-0

victory. Stuart Morgan had an outstanding game scoring four goals. Other goalscorers were Mark Campbell with two and Adam Djuk and Casey Vanderstul getting one apiece.

The Milton team were kept off the score sheet by the consistent goaltend-

ing of Boris Babic. Another player who had a noteworthy game was Duane Hickson.

Georgetown I.G.A. vs A.E. LePage Hustlers - These two teams played back-to-back games with the I.G.A. team coming out on top both times by the scores of 3-0 and 5-1

Both games were marred by the ejection of players. The goalscorers for I.G.A. were Mark Campbell with four, Don Rice with two and Keith Spiller and Adam Djuk getting one each. Chris Stiles scored the only Hustler goal and had a noteworthy game. The I.G.A.

defence was strong in both games with Casey Vanderstul and Jim Teetzel playing major roles.

Georgetown Enforcers vs Milton Best Family - The All Sport Enforcers won comfortably by the score of 4-0. Scoring the goals for the Enforcers

were Steve Pryer with two and Rick Hutchinson and Luis Fattore scoring one each. Pryer has been a consistent goalscorer following his return to house league from rep soccer. Other noteworthy players were Richard Sybersma, Carl Bourassa and Kevin Banks.

Georgetown I.G.A. vs Milton Speck Weidling - An excellent game with I.G.A. coming out on top by the score of 4-2. I would have loved to see this game played with two full teams rather than see Milton limp along with ten players. Scorers for I.G.A. were Stuart

Morgan with two, Don Rice and Mark Campbell getting one goal each. The I.G.A. forward line should have scored more goals especially when they had the extra player up in attack. Noteworthy players for I.G.A. were Boris Babic in goal and Keith Spiller and Paul O'Neil

Braves are coming

With the Georgetown Baseball Association bantam house league season at the midway point the T.D. Bank Braves, coached by Graham Tyler, are starting to come on strong. This last week the Braves put together back to back wins beating the Dairy Queen Dodgers 6-4 and Neil's Music Yankees 16-8. Coach Tyler says good team effort accounted for the wins behind solid pitching from Brant Mau and Rodger Moore.

Other team action last week saw the Dairy Queen Dodgers coached by Boyd Hoddinott and Harvey Green beat Marty Pickett's first-place Optimist Orioles 9-5. Andrew Hoddinott and Louis Galvao provided three hitless innings of pitching. Louis Galvao also hit the ball over the fence for a home run. The Bantams play Monday night at Kennedy school and Tuesday, Wednesday, and Thursday at the Fairgrounds on diamond B. The remainder of the season looks to be exciting with the championship game played during the fall fair.

On behalf of the Georgetown Baseball Association, thanks go out to everyone for a job well done in our pee-wee tournament the other weekend. Special thanks to Suzy Lortio and her troupe for handling the food concessions, to Pat Brooker for arranging umpires and making sure all went well, and to Chris and Doug at North Halton Sports for sponsoring us and providing the trophies and crests. Again thanks to all and we look forward to next year's tourney.

Young Falcons big winners

Sean Cotton, Steven Robinson and David Inglis all fired a pair of goals as the Falcons drubbed the Destroyers, 8-1, in Georgetown Youth Soccer Club mosquito boys house league action last week.

Jeremy Felce and Sean Pederson found the mark for single tallies to close out the Falcon attack.

Alan Campbell counted for the Destroyers.

Following is a complete run down on last week's results.

The Missing Link
Inside a small Texas A&M laboratory are more than 40 pink reptiles that resemble worms, have scales like snakes, but with two front legs and no hind legs. The creatures are evolutionary intermediates and provide important evidence supporting the theory of shifting plates in the Earth's crust.

A&P reserves the right to limit quantities to normal family requirements!
