

A large gathering of youngsters from "somewhere over the rainbow" found lots to do at the Georgetown library Friday morning. The "Munchkin Club" meets Fridays at the Georgetown and Acton branches of the library for fun and games. Parents are asked to register youngsters first. The program continues weekly through the summer. (Herald photo)

Optimists pitch in

from Wednesday

There is no better way than day camp where they are supervised and off the streets. For that reason we decided to pay a major share but not all of these kids' registrations to day camp.

We know this won't help all the kids that want to go but it is a start, something that perhaps can be expanded next year. This is perfect proof that as budgets are cut, services have to be cut and the demand on services have to be cut and the demand on service clubs increases.

We are only happy that we are in a position to help, and this is thanks to the hard work of our members and the public support to our various fund raisers.

We are proud of the fact that every dollar your Optimist Club raises is put back into this community; hopefully to make

it a better place for everyone to live.

HALL USERS
The boy scouts are now regular users of our hall. They or their leaders are meeting there three times a month.

They do get this gratis of course. One of our purposes of obtaining the building was to be able to provide a meeting place for youth at no cost to the youth.

We are only too happy to see that their leaders saw fit to make use of our offer.

This offer is good for

any organized youth group depending upon availability. All we, the Optimists, ask is that they leave it as they find it.

The next fund raiser coming up for the club is something quite new for this town.

The fall fair is putting in a beer garden this year. They have asked the Optimist Club to run this. The tent is 100' x 150', and will be erected near the washrooms.

We will be running our food booth and the Opt-Mrs. will be having Barbecued chicken via Maple

Lodge in conjunction with the beer garden, so that you will be able to sit down and eat and have a brew.

All proceeds from the beer garden will go to the "Lift for Georgetown High". This project is slowly and steadily creeping but more on this in our next column. At which time we will explain our newest venture, CABLE TV BINGO. You will be able to play bingo right in your home every Tuesday at 8 p.m.
