**Select gals runners-up**

Some weeks there is so much news that it is impossible to put it all down on paper, far less have it actually printed. Last week there were few rep matches to report and all the games were covered for refs. I had a week off, so to speak. There was a refs executive meeting and an Inter County discipline committee meeting and a Mariner game to cover, otherwise not much at all.

Whilst Elaine Bertrand is taking a well-earned break from refereeing I have agreed to attempt to fill the breach, 877-4200. Klaus Zander is also away and Gail Melville is fields commissioner, 877-1803. There are none available for the remainder of this week.

Gail is also girls' commissioner, and has had a busy time of it. Hubby Steve is coach of a regular and select team, and son, Mike, is a rep player. That means a full week right now on the soccer field. They spent this weekend at the Rexdale pee-wee girls select tournament and came away with the runner-up trophies. They lost the first match to host club, Rexdale, 2-1. The team was caught cold in this one, having hardly wakened, but came on strongly at the close. A couple of hours later they suffered a similar loss to Niagara and with only 30 minutes break handed out a 2-0 defeat to Scarborough girls. In the current heat this effort is commendable. A late telephone call on Saturday informed the Melvilles that they were a wild card entry into the semi-finals on Sunday.

On Sunday morning the team came up against the strength of Burlington's Selects and gave them a real match and a 2-0 loss in the bargain. The final game saw Brantford as opponents. Completely dominating the game throughout, the girls were thwarted by a stuffy, and lucky at times, defence. Goals would not come. The Brantford ladies managed one goal and it was enough to win. A great effort all round, from players, coaches and supporters, and a nice trophy for all players to round it off.

**FALCONS BEATEN**

Our Senior Falcons travelled to St. Clair, also known as the second team's home field, to meet West Indies. On this occasion the home team played soccer as it should and came away with a 3-0 result. Two goals came from defensive slip ups, a familiar story this season. Missing some very key players through work, injury and other reasons meant a make shift forward line for the lads and very little threat was mounted on the home goal. This week, no game so that the lads will be able to nurse their wounds before taking on Oakville Europa next Monday at Cedarvale.

Meanwhile the second string put up a superb display in handing out a 2-0 loss to Police Blues, normally a hard team to crack. A narrow 2-1 loss against Allitico at Cedarvale last Monday was hard to take, especially when winning away from home against the same opposition in the first cutting of the season. The second team is also finding it hard to put out a full squad and need all the turn out they can get for games. For a young team they are having some good results in their first year back in the T and D league.

The minor pee-wee reps were not too keen on going to Burlington after their 6-1 defeat the previous week at Cedarvale. Soccer is a funny game at times, like most team sports. The lads almost pulled off a shock result. Shock enough, only going down by the odd goal in seven. Russell Gray netted twice, his second match in a row for scoring, not bad for the tall defender. Jamie Wairaven, the hard working forward, netted the other. Johnny Stefan received an injury in the game.

**PEEWEE DOWN**

In a Peel Halton Cup tie on Saturday morning at the Cedarvale Bowl the major pee-wees ran up against a skilful team from Kitchener. The visitors adjusted to the extreme heat better than the homesters and ran out winners by 3-0. Our lads mixed their game between the kick and run and short play to no avail. The visitors' midfield took over early on and kept up their control for the major part of the game.

After writing that the Inter County have had little or no discipline problems, we now have had a few ejections to deal with, and it must be admitted not as bad as last year. Up to mid June only two ejections had been recorded, there have been a few more since, and only one crowd behavior problem to date. The league are due to visit Milton's for the first presentation of the monthly trophies on August 11. This is the first year that the league has had sponsorship and the members hope that the relationship will continue. Butcher appear to be running away from opposition in the First division as the teams below continue to take points from each other as the leaders pile up the winners. In the Second Division and Guelph engaged in a dogfight, first one then the other taking over the top position, with Eagles breathing on them.

One thing I have noticed about Georgetown youth teams, from few visitors, is the use of elbows in tackling opponents. Generally our lads tend to move into the tackle and up they come, which is illegal of course. There is no real protection from knocks by doing it this way, and in many cases, the opposite is the result. Tackling the proper way, with the strength in the legs and body balanced for the contact almost always works to advantage. One of our better squads at good tackling is the Junior Falcons, they have come a long way from the disruptive team of yesterday, and their energy is mostly directed at defeating their opponents via the rules of the game. Of course they have their odd moment when they lapse into the old ways, although not too often.

**Gems lose friend, fan, worker**

Due to a fatal car accident last Friday the Georgetown Gemini Junior Hockey Club lost a friend, a fan, and perhaps the hardest worker they have known. Jim Mackie was one of a group of men that saw the need for a hockey

team for Georgetown's older teens. In 1975-76 he was part of this Club's first executive. In 1976-77 and again in 1981-82 his name went on the Club trophy as 'Executive of the Year'. It could have been there more years but Jim always did the

jobs he undertook so thoroughly, and so quietly that we often forgot the size of the project.

For years he simply 'looked after' the front office, program, and job-by-draws turning in weekly reports that balanced to the T. The hours and

work involved were not truly understood until Jim took a year off from the hockey wars. It took two executives and their families to handle the same work load.

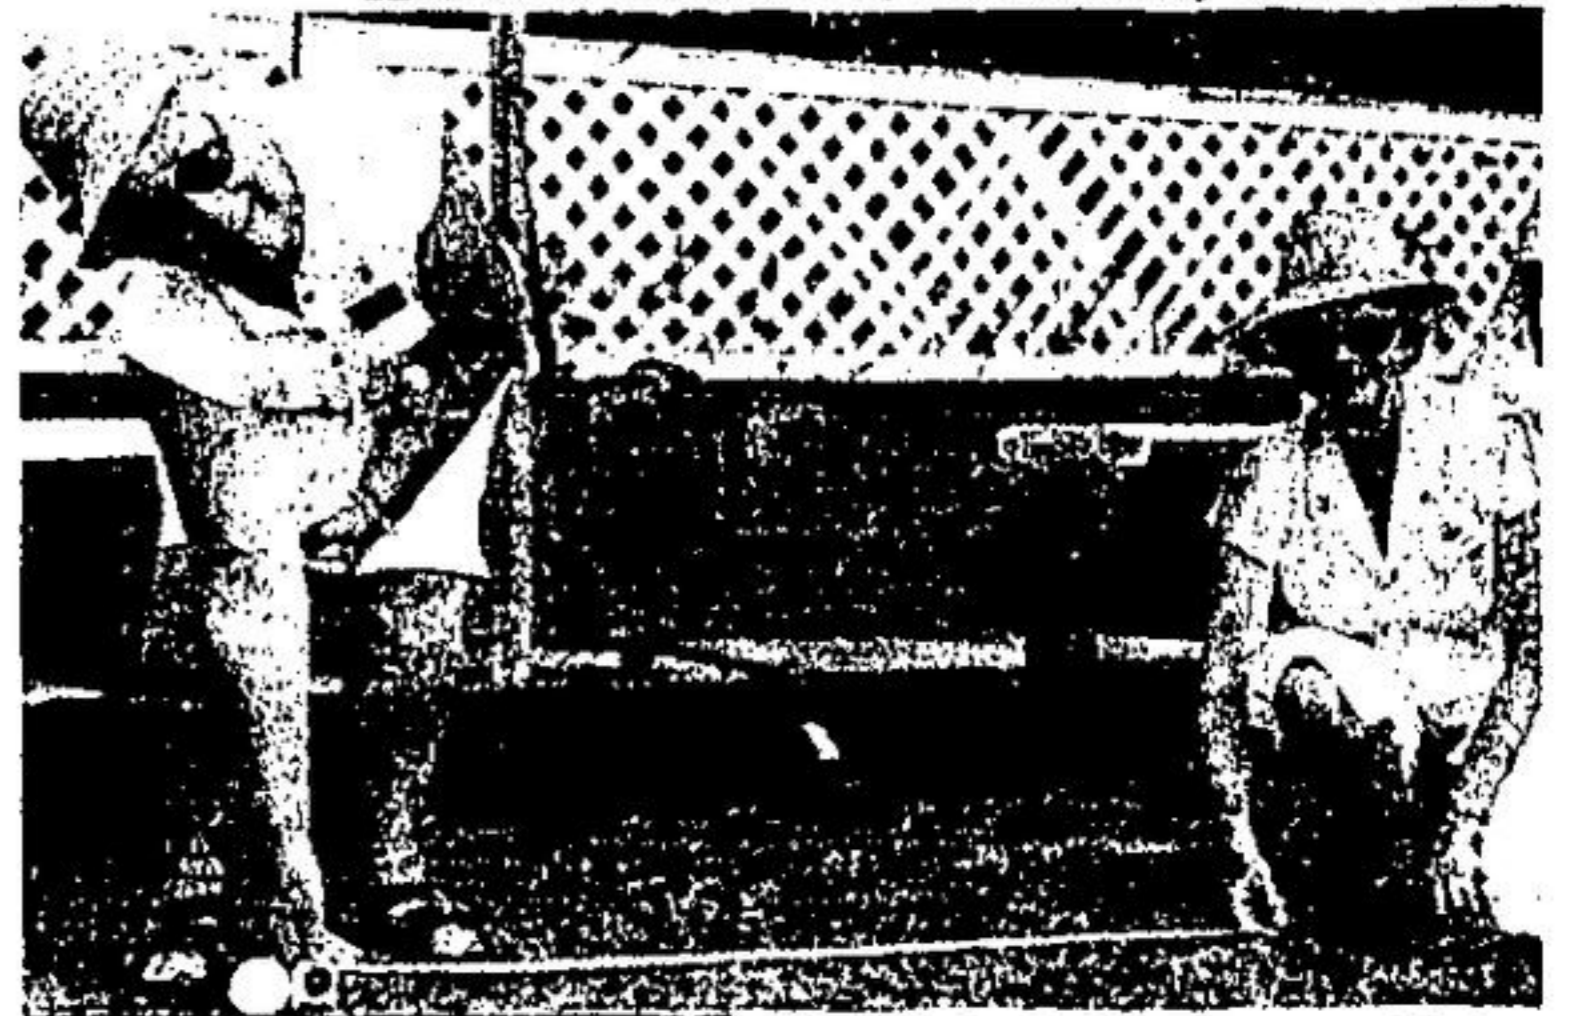

In the two years that he chose not to be on the executive, Jim was still always on call to flip hamburgers all day in the Gem Fall Fair booth or run the gate at a Gem Ball Tournament.

Jim never wanted the upfront jobs where your picture is taken and your name appears in print. He simply, sincerely wanted this club to continue strongly so that the boys he saw through minor hockey had a place to play and he did everything that he could to make that happen. Every man and woman that has ever worked on this Club with Jim admired him and enjoyed working with him.

—Submitted by the Georgetown Gemini Junior Hockey Club.

Jim Mackie (left) received this Executive Award from Gemini president Bob McCandless in May of 1982, for his dedication and hard work for the team on program, gate and draw sales.

Anna Cairns of Milton (left) has been doing it for 11 years. This is Georgetown's Betty Hobbs' fifth year of lawn bowling. The two competitors bent over Saturday afternoon to measure how close their bowls were to the white Jack. Milton's bowl was closer.

**Milton tops tourney**

Teams from Milton grabbed the top three spots at the Georgetown Lawn Bowling Club's Mixed Trebles Tournament on the weekend. Milton skip Archie Cairns headed it teams to

take tourney honors. The second-place threesome were skipped by Allan Clements, while Cliff Brown skipped the third-place side. The top Georgetown en-

try was skipped by Kay Braiden, with Helen Archer and Bill Gordon. They were fourth overall. Braiden also recorded the high single score on the day, a 39.

**Raiders top Maniacs, 6-3**

Stephen Fletcher bagged a hat-trick to lead the Senior Raiders past the Maniacs, 6-3, in Georgetown Youth Soccer Club pee-wee house league action last week. John Devries, Scott MacKay and Derek Oram all fired single salvos for the winners. Gord Anderson counted both Maniacs goals. In other action, the Commandos downed the Senior Raiders, 5-2. David Harrison, Rob Horton, Rob Scarrow, Alan Shield and Rodd

McIntyre all found the mark for the Commandos. Stephen Fletcher and John Devries replied for the Raiders. David Harrison bagged a pair of goals to lead the Commandos to a 6-3 demolition of the Panthers. Glyn Owen also scored twice for the winners, while Alan Shield and Rob Scarrow tallied singles. David Rice, Robert Caldwell and Alan Thibault replied for the Panthers.
