## Knight Riders pull through, beat Gators

Despite having only 9 players the Knight Riders pulled through to beat the Green Gators 8-7 in last week's actions.

The whole Rider team played a super game. Starring for the Gators were Barb McBean and Herminia Henderson.

The Chocolate Chics lost another close one to Blue Thunder 11-10. Thunder fielders Bev Compton and Kim Smith made some excellent catches.

Sandy Mercer was strong infield and Michelle Hulme and Susan Williams were strong at bat for the Chics.

All team members playing well is what accounted for the Screwdrivers' victory over the Blue Mooners 33-15.

Special mention to Pat Mashinter, Linda Armstrong and Bev Daguano who played extremely

well. Linda Weeks and Linda Krause gave their best effort and batted well for the Mooners. Second base player Diane Corbett gave her team good support.

Scoring 14 runs in the 4th inning enabled the Burgundy Brewers to defeat Mostly Golden 14-3. Golden pitcher Laurie Henson had a good game.

It was a hard fought battle between the Red Barons and the Calce Cougars which ended in a 19-19 tie. Both teams gave a strong all round team effort.

Cougar Nikki Carney pitched well especially when it was her first time.

Playing in the field Jan Walker made some starring plays.

Cindy Hoskls and Elaine Bastedo starred for the Barons.

Here's a smartly traditional two-storey home design which is perfectly suited to the narrow-to-medium frontage residential building lot, and which provides in excess of 2,400 square feet of finished floor area on two levels. A full basement contains abundant storage space and additional area for potential development as family space requirements dictate. The nostalgic exterior is finished in horizontal channel siding, with tall masonry chimney and a high peaked roof. The latter could be alternately finished in shingles or traditional shingles, according to local material costs and availability.

The weather-sheltered main entry leads into a spacious reception foyer and outdoor storage area, from which traffic moves to the right into the long rectangular living-dining room combination. The living room features a raised-hearth masonry fireplace and a small-paneled projecting bay window, which latter could easily have a window seat on the interior side. The dining area separates from the kitchen via convenient pocket door, for ease of access and privacy.

The well-planned U-shape kitchen provides a sleep-saving work triangle configuration, generous countertop work surfaces and abundant cupboard storage. The kitchen separates from the spacious family room/dinette combination via convenient snack bar counter. The family room/dinette features a second raised-hearth masonry fireplace and a sliding glass walk-through leading onto the wide rear patio.

Plans for design No. 82-2430 may be purchased either by the single set, at a cost of \$130.00 for the first set and \$25.00 for each additional set, or by the package.
