

Threshing Days at the Agricultural Museum

Heralds Special
We have been harvesting the grain at the Ontario Agricultural Museum and now it is time for our "Threshing Days" to begin. Come out and join in the fun as we celebrate the harvest on August 13 and 14.

Experience the sights and sounds of summers past as our vintage threshing machines once again whirl into action. Watch demonstrations of the many methods of threshing ranging from a man powered wooden fall to steam and gasoline powered machines. The weekend promises to be packed with activities but one of the highlights is sure to be the 'bale throwing competition' on Sunday August 14 at 2 p.m. Certainly a wonderful opportunity to show off those muscles!

While at the Ontario Agricultural Museum take the time to explore the more than 30 buildings and displays on the Museum's 32 hectare site.

Each day features demonstrations of blacksmithing, spinning, weaving, and open hearth cooking. Our picnic pavilion, the Cradle 'n Flail,

also has something special in store for those who have worked up an appetite throwing bales or touring the site. It is a mouth-watering meal known as the "Thresherman's Lunch".

Come and spend a summer day in the country at the Ontario Agricultural Museum on August 13 and 14. It is an outing the whole family is sure to enjoy. The Museum is located 5km west of Milton on Tremaine Road, just south of Highway 401. Admission rates are adults \$2.50, students \$1.50, children \$1, seniors \$1.25, and a family rate of \$6.

Ever wonder 'bout mystery world of insects?

"MAD SCIENTIST SPECIAL" Ever wondered about that mysterious world of insects? Did you know that there are more insects in the world than human beings?

On Tuesday August 16th at 10:30 a.m. entomologist Steve Marshall from the University of Guelph will be at the Georgetown Public Library to discuss insect collecting.

Learn about catching and caring for insects. Registration is required and the charge is 50 cents. Call the library for more information at 877-2681.
