## Easter Seals serve 6,500

The Easter Seal Society is a voluntary agency speaking and acting on behalf of physically handicapped children.

The Society, formerly the Ontario Society for Crippled Children, employs a staff of 37 district nurses, qualified in rehabilitation and public health, who visit children in their homes and arrange treatment and other services needed.

More than 6,500 children up to age 19 are served; referral of older persons is made to an appropriate adult agency, usually the Ontario March of Dimes.

The Society collaborates with 19 treatment and rehabilitation centres across Ontario which offer a wide

range of therapy, education and supportive services.

At the request of local medical societies, the Easter Seal Society sponsors annual diagnostic and consultant clinics in Northern Ontario. Each year over 1,200 youngsters are examined. The findings are reported to family physicians and arrangements made through the Society nurse to ensure the provision of prescribed treatment and equipment.

Travelling teaching clinics are held at the request of local professional groups. These clinics cover the range of disabilities the Society serves and provide continuing education for medical and rehabilita-

tion personnel as well as parents.

### UNICEF needs help

UNICEF Ontario needs your volunteer help to raise more than \$1.1 million this year!

The annual Halloween for UNICEF and Greeting Card campaigns which are now in full swing, require many volunteers to perform the various tasks necessary to raise funds to meet the ever-increasing needs of children in the developing world.

UNICEF Ontario needs volunteers to call schools prior to Hallo-

we'en; to assist schools to count, roll and bank the money collected by over 400,000 participating Ontario school children on Halloween night; to visit schools and groups to show UNICEF films and to speak about the work of UNICEF.

UNICEF Ontario needs your help NOW to achieve these goals. Please contact:

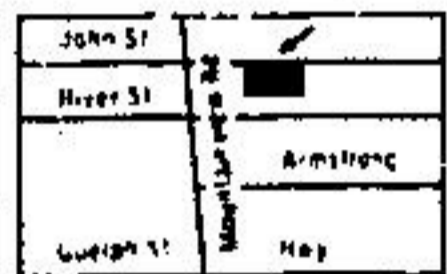

UNICEF Ontario, 1992 Yonge Street, Ste. 204, Toronto, Ontario M5S 1Z7. Tel: (416) 487-4153.
