Dear Eugenia,
Would you please tell me about myself in the newspaper? I am a female born at the Toronto East General Hospital in East York, Toronto. My date of birth is Saturday, Oct. 4, 1962 at 4:28 p.m.
Thank you,
L.B.
Georgetown

Dear L.B.,
You are a Libra by sun sign, however your chart has just as much Virgo, and Scorpio in it. There seem to be many changes in the area of work. Some of these changes have already started over this past year, however they have not ended as yet. The transits over this next year look bright and I should hope that you are thinking of already pursuing some form of higher education, or training that will help you advance professionally.

As we approach February of 1984 you will begin coming into good fortune as a result of past good actions. This will continue on and off for the next four years, so please take advantage of it. Your chart also indicates that it will be favorable time for work as well as higher education and that you will have a reappearance of past friends and acquaintances.
You may also find that you have a greater interest in such areas as parapsychology, or some form of medical research. This is also a year that you could make alterations of your basic goals and objectives, however try to avoid radical revolutionary attitudes as they will only hold you back.
You may have to adjust to new and unfamiliar circumstances, and it would be best to accept changes rather than fight them. Where relationships are concerned, I feel that you will have unusual opportunities through friends, groups and

Human Rights talk

June Callwood, author, lecturer and journalist will be at the John Elliott Theatre on Monday Nov. 7 at 8 p.m. Tickets are \$4 in advance and \$5 at the door and are available at both the Acton and Georgetown Public Libraries.
Ms. Callwood's lecture topic Preparing for 1984... will deal with the questions: "Were Orwell and Huxley right? If not, where did they go wrong? How strong are the concepts of freedom, fair play and the rule of law? What do you think is the greatest danger to human rights?"
June Callwood is vice president of the Canadian Civil Liberties Association; founder, Yorkville Digger House; chairman, Writer's Union of Canada 1979-80.

organizations. It will be a favorable year for gaining acceptance of your personal ideas and projects from those in higher positions. Basically your chart looks pretty good.
It is an excellent year to get ahead, through hard work and discipline if you put your mind to it. Remember, however, that you must not live in the past or dwell on past unpleasant memories and avoid any involvements that could lead to scandal. If you use discrimination and diplomacy all will turn in your favor. Good Luck!

Dixieland jazz

By PAT HRETCHKA
Herald columnist
November, already. I must have been looking the other way, as October rushed by. A busy October it was too, especially in the arts field. Second anniversary celebrations at the Cultural Centre brought us entertainment ranging from "The Second City Touring Company" to Public School performances, from the "Good Brothers" to Halton Hills Amateur Night. Great fun was had by audience and performer alike.

The Cultural Centre Art Gallery saluted the anniversary with a display entitled "Our Good Earth", which continues until Nov. 10. If you have not yet visited this exhibition of 35 works of 35 different Canadian artists, you should.

Other October highlights included the Georgetown Little Theatre production of "The Man Most Likely To..." and the "Arts and Crafts of Georgetown" Annual Exhibition and Sale.
Enough of looking back. Let's see what November has in store for us besides falling temperatures. The answer seems to be "music, music, music!" Dixieland Jazz takes centre stage at the John Elliott Theatre Thursday, Nov. 3 at 8 p.m. This concert is sponsored by the Optimist Club of Georgetown and tickets are available by calling 877-6331 or 877-4569.

The Optimists are really getting into the music field as they sponsor another musical evening, Nov. 5 also at the John Elliott Theatre. Two popular local acts will be heading the bill. "Melody" the duo of Bill Kent and Janine Prouse, both formerly with the internationally known group "Up With People" and Phil Sykes of the "Back to Back Trio" will be stars of the evening. Tickets are available at Neil's Music Centre or call 877-6966.

Both these concerts are fund raisers on behalf of the "Lift For Georgetown High Campaign". Do yourself a favour, enjoy one or two evenings of great music and contribute to a worthy cause at the same time.

Speaking of worthy causes: You have another chance to do good and perhaps do well. "Friends of the Library" are sponsoring a draw to raise money for Library Projects. The purchase of a \$2 ticket gives you a chance to win an original acrylic wildlife painting by local artist Reg Finlayson. Tickets are available at the libraries in Acton and Georgetown.
