

Dear Santa:  
Merry Christmas to you and Mrs. Claus. I have been a good boy. I would like you to bring me Night Rider turbo boost set, Lego, Truck stop service centre and the A team men please. I am really happy it snowed for you and your reindeer to land. I live in Acton now so I hope you can find me. I will leave you some milk and cookies.  
I love you,  
Your friend,  
Kyle Crawford,  
Kingham Rd. Acton

Dear Kyle:  
What a colourful letter!! I'm happy it snowed so you can go out and make snowmen. I like making snowmen, don't you?  
You don't have to worry, I have your change of address right here on my list. I know right where your house is, and Acton is one of my first stops. Thank you for the nice picture. I love milk and cookies! So does Rudolph. Ho, Ho, Ho! A snack like that makes me jollier, and it keeps me going through the long night.  
Do you like the A-Team? Mr. T Sure does look mean, doesn't he? I'll try to find some of the gifts that you want.  
Merrrry Christmas,  
Santa

Dear Santa:  
My name is Sonny. I am 4. I would like lots of Smurf things. A little teddy bear, and a pencil sharpener. My sister Sulin would like everything purple. My other sister Kim loves Garfield. I would like you to bring my mom a real big teddy bear. Thank you very much, Santa. Have a safe trip.  
Love Sonny

Dear Sonny,  
Your sister likes purple, does she. If I bring her a box of chocolates she wouldn't want them to be purple, would she?  
Tell your sister Kim I like Garfield, too. We're both rolly-polly.  
I will try to get you some Smurf things, a little teddy, and a pencil sharpener.  
Love Santa

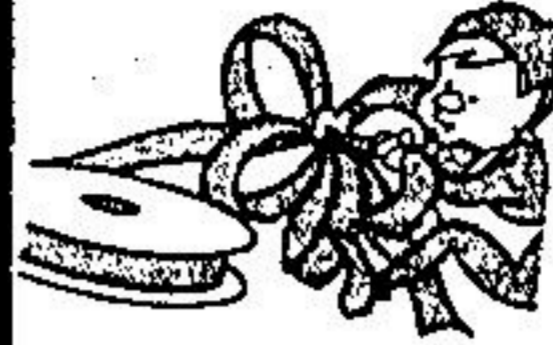

Dear Santa:  
I am now 9 and in grade 4. I think I have been quite good. This year I would like a cuddly bear to sleep with, a set of lip gloss, Minipops 2 record,

address purse, and a package of smelly or puffy stickers.  
Love  
Heather Macewan,  
Eleanor Cres.,

you've been a good girl. All the little boys and girls in Acton are good. I will try to get you a care bear to snuggle up with at night, but I've had a

ger, pencil crayons. Thank you.

you drew me. If I didn't know any better I'd say you waited up for me last Christmas to draw that picture of me coming down the chimney. Those do look like my feet.  
Are you a stamp

collector, too? I like the stamps with a lot of colors on them. I'll try to get you the album and the roller skates (be careful, you could hurt yourself on them) and the other toys you asked for.

Santa Claus was visiting the Georgetown Library last Saturday where he said his hellos to little Ariana Sumbler who is one month old. The jolly fellow was in a good mood, reporting that his elves are pretty much right on schedule for Christmas day.

Dear Heather,  
What a cute Christmas card! Would you like a cuddly bear like the one on the front of the card? I'll see if I have one that looks like that in my back room. You're nine years old already! My, you're growing quickly. I remember where you live from last year and I'll be sure to come by again this year. I'll look to see if I can find some of the gifts that you want.  
P.S. You're very welcome.  
All my love, Santa
