

Have a Safe & Happy Holiday

DRUNK DRIVING KILLS!

Will alcohol claim you as yet another victim of escalating statistics? Each year, the scene is the same. Friends gather together, ringing in the holidays, and will have a drink or two...or three. Then it's time to go home. Whether around the block or long distance, the effect of even one drink makes you a threat to yourself and others!

Reflexes become sluggish and judgement is impaired. In short, you become a potential killer as soon as you get behind that wheel. This holiday season, if you drink, use your head. Don't drive. If a friend has had one too many, encourage him to find another way home. Don't let your celebrating lead you down a dead end street... permanently!
