# Video atoms compete

The Georgetown 'H' and 11 minor 'A' atoms enjoyed taking part in a well-organized tournament at Hanover over the holidays.

Georgetown came on strong in their first match, downing Warton 5-1. Jeff Wright was hot, scoring four goals and Jake Mashinter netted the other goal.

There were unsuccessful bids against Wingham and Waterford but a very close game with Hanover.

Hanover finally took it 2-1 with a third period goal. Steven Wright got the Georgetown goal, unassisted.

Assists in the four games go to Ryan Schirk 2, Steven Smith, Steve Wright 3, Troy Gardiner 2, Andrew Elliott and Gord Buchan.

Jeff Wright and Marc St. Pierre brought home most-valuable-player awards. Marc was superb in goal, facing 29 shots on net in the Hanover game.
