

Bill Garrard of Georgetown was at the Interpretive Centre at Terra Cotta Conservation Area Sunday talking to people about winter survival. Mr. Garrard taught winter survival courses for the air force for 20 years.

No nuke fears for our Bill

When Bill Garrard hears the sound of an approaching nuclear missile you can bet he won't be heading south to investigate.

An outdoors survival specialist, Mr. Garrard taught air force recruits for 20 years how to fend for themselves in the woods.

He figures in a flash he'd head north to live off the land. Mr. Garrard was at Terra Cotta Conservation Authority Sunday teaching a workshop on winter survival.

The Georgetown resident says when you are out in the wilderness there is a priority list to follow. People should first worry about first aid, signalling for help, a fire for warmth and shelter.

Air cadet band best in parade

Monday Feb. 13 the band of our Air Cadet Squadron, No. 756 was presented with a trophy by President Norm Ward for being the best band in the District 'B' Convention parade in Niagara Falls in November.

This trophy is in a new category for this parade, and our Air Cadets had the honor of being the first band to win it.

The Branch Initiation Team has been invited to the Alton Branch 555 to initiate new members Saturday Feb. 25. The bus will be leaving the branch at 7 p.m.

GENERAL MEETING
The next general meeting is being held Thursday, Feb. 23 at 8 p.m.

LADIES AUXILIARY
We had a very pleasant evening at our last general meeting when we had a visit from Zone Commander Rose Green. It was a most informative evening.

We have two projects coming up soon, the first is our rummage sale Saturday March 31. There will be a drop-off for this sale March 28, 29 and 30, upstairs at the branch from 1-3 p.m. and from 7-9 p.m.

If there are any queries, or you wish to help, please get in touch with Nellie Bell, who is the convenor. Please make sure the clothes you donate are clean and in good repair. Our second project is our social in April. Mid Brumski will be the convenor for this and I am sure she will arrange a super evening. There will be more about this later.

The bus to Orangeville Races, Sunday Feb. 26 leaves the branch at 11 a.m., arriving in time for lunch. Cost of bus and meal is \$14 a person. Anyone interested in going please call Mary Franks at 877-2163.

President Flo Carswell and Jean Reid had a very nice visit with Dot Day when they called to present her with her 30-year pin. Congratulations, Dot.
