

### Young Liberals active

On January 31, 1984 the Brampton-Georgetown Young Liberal Association was founded. The meeting was held at the Brampton Public Library branch on Queen St. and was a great success.

At the meeting a constitution was ratified and members of the executive were elected. Rosa Milne addressed the meeting. He encouraged the new Association to become actively involved in matters of policy, party organization and social activities.

Rick Weller, President of the Riding Association, and others from the Riding executive were in attendance.

This year will be an exciting one for Canadians and especially Young Liberals. The Liberal Association hopes that if you are between the ages of 14 and 25 you will consider joining. For more info about the Young Liberals please call Dave Goetz at 451-5936.
