Look after our parks

GARBAGE AND LITTER - Please help by using the litter containers provided and reminding others to do the same.

MOTOR VEHICLES - Trail bikes and all terrain vehicles are becoming a critical problem in park areas. Please help by ensuring that you or your children are not contributing to this problem.

REMOVAL OF PLANT MATERIALS - No plant material should be removed from any town parks or natural forest areas.

DOGS - Dogs make good pets and many people enjoy them, however, it seems that many dog owners consider it their right to allow their pets to defecate in public areas. According to parks bylaw 76-40, dog owners are required to clean up dog excrement and to control their dog in public parks. Persons can be fined for not adhering to the park bylaw. Please help to make our parks more enjoyable places to be by cleaning up after pets.

We hope that all users of the parks and natural lands will respect the delicate balance of plant and soil like and will leave all areas in a condition which will allow other people to enjoy them also.

Ladies open year at North Halton

In spite of a very cold, windy day, 28 golfers managed to complete at least nine holes of scramble golf last Tuesday to start off the 1984 season at North Halton. The winning foursome for the day was made up of Donna Notar, Gail Finlayson, Mavis Reilly and Pam Kilmer.

The dinner following was very well attended, and new president Marilyna Medlock welcomed everyone back and promised clear skies and warm days every Tuesday from now on. Pro John Henderson also had a few words of welcome, and Captain Carol Carter presented him with a tee-shirt proclaiming him to be an honorary member of the Ladies Section.

The new executive for the year was introduced, and new members were welcomed to the club. Inex Crichton outlined the plans for the annual Penny Sale, to be held on June 6, and distributed the tickets to all the members. Marilyn Medlock and Carol Carter then discussed some of the 32 new rules of golf which are now in effect, and managed to successfully answer most of the questions raised by the members. Lots of new Rule Books were then sold.

Hopefully, we're off to a good start for 1984.

Rebel juniors defeat Wolfe in lop-sided rugger contest

By KAREN PAYNE
Herald correspondent
The Georgetown District High School Junior Rebel rugger team won a game over General Wolfe High School in Oakville last week.

The Rebels won 26-3, with Cameron MacIver scoring four tries (16 pts) in the game, followed by Glen Farrow, with one try. Kim Davis kicked three converts. "General Wolfe wasn't prepared,"

explained coach Bill Bingham. "Our team played really well at the end of the game. The wind was really strong, which made things a little tougher. The game was shortened because of it."

The seniors, however, didn't do quite so well. They went to Nelson in Burlington on Thursday and were defeated, 7-0.

"Nelson is a really aggressive team," said Bingham. "Our half line, once again, didn't play too well. Two centers didn't even get a chance to touch the ball. Later in the game there were good runs by Owen Gray and Rick Walter-

son, but obviously, it wasn't enough." The juniors hosted a game on Monday against Oakville-Trafalgar. Thursday the juni-
