## GYSC holds opening day

The official season opened a blustery, often cold Saturday with Mayor Russ Miller doing the official kick-off honors for the youth club's bonanza of soccer.

The day began prior to 8 a.m. with George Baines getting the coffee, donuts, and hot dogs ready for the early comers. The first games kicked off shortly afterwards with the mosquito girls Blizzard facing the Leafs. The Leafs pulled away to a 4-1 win with Trisha Harkley scoring a hat-trick, ably supported by her teammates. Jennifer Beecher replied for the Blizzard. This was an entertaining match with a remarkable amount of skill shown for the first day.

At the same time, on the large field at Cedarvale, the pee-wee boys of Barry Inner in green tied 1-1 with the Blue Bombers. Mike Baker and Chris Bewley were scorers with Martin Davidson and Sandor Gombolcz doing a good job in net.

Reflex 1 - Mustangs 2, in the pee-wee girls division came next. Again some good skills and positional play from both teams. A great marking job on Rhonda Ellard by Sonja Letarnc was a highlight. Nevertheless, Ellard opened the scoring and Sue Taylor added a second. Mimi Jones netted for Reflex in the second half.

Collin Wilde's Maroons took a 5-1 decision over John DeVries' Reds in the bantam boys division. Doug Covert gained the second hat-trick of the day with Danny Weisz and Gord Savage also netting singles. Stu Morgan got the consolation after some strong midfield play for the Reds.

John DeVries stayed on the field to ref the next match in the bantam girls division, which was between Sean O'Neill's Blues and Barry Swinscoe's Reds. When I left the Blues were four goals ahead, through goals by Susan Kerny, Judy Ellard, Tracy Peggie and Chris Harris.

As well as John DeVries in the middles and on the lines were Harry Braam, Luc Bertrand, Haddy Smedema, Bob Lovegrove and myself, amongst others. As usual it was a long day for all and an enjoyable one.

### FALCONS SPLIT

The senior Falcons, the town representative in the highly competitive Toronto and District league, warmed up with a win over Meteors and a loss to the Mariners in the past week or so. The Mariner loss was avenged by the junior Falcons, who defeated the older lot by a couple of goals. The new look youngsters showed a lot of poise at times and knew enough to take pot shots at yours truly in net, leaving me stranded.

The Mariners have not looked too impressive in play so far. Maybe these bad rehearsals will turn into sterling displays later. A 4-2 win over Hillsburg looks well in the results columns yet it was hard going for a long time. Archie Tannock received a severe knock and will miss the opening league game this evening at Dorsey, against Varian at 7 p.m. Other matches are at Christian and Meteor fields, also at 7 p.m.

Rep systems. The carry over from last week, as promised. In order to play for a competitive team the player first has to register at club level and later, when making the rep squad has to register again at Peel-Halton Association and league levels. The format requires photographs and special registration forms. These cost around \$12 per player. At 15 or so players per team this becomes a costly item indeed.

### PICKING TEAMS

In the first place, players are requested to ask for the opportunity to try out. At the same time the coach may have an idea about some of the players desired, if not all. This year one coach had almost 20 players and another not more than eight players through pre-season tryouts. This makes it difficult to choose the number of players a coach wishes to go with in the squad, particularly in the case of a low turn out through the try-out periods.
