Norval 12.

The opening game was highlighted not by spectacular play, but by offensive and defensive ineptitude on both sides of the field.

To M and M's credit, their rusty machine lurched into motion, though it was still missing on a few cylinders. As for Norval, they again exposed glaring weaknesses that must be corrected if this team is to challenge the league leaders.

Reds edge Angels

The first G.B.A. T-Ball season games were close contests, with the kids getting around the bases over at Harrison School on Monday night.

Royal Canadian Legion
Reds 25
Casselman Fuels
Angels 24

Both teams played well with the Angels showing excellent fielding. Warren Daniell, David Butler and Alex Clarke were the outstanding Angels.

For the Reds, Jacqueline Coens was outstanding while Ryan Martin hit two home runs. Mike Burns and Mark Mitchell hit triples. Ryan Gillard hit a double.

Scoring TD's for Norval were Rick Kierstead and Mike Pierce. Neither were converted. M and M's replied with two majors by Mike Henderson, one by Steve Doucette and another by Ken Lockwood. Lockwood also kicked a field goal and a one-pointer, while Joe Wygergangs pulled in a two-point conversion. Honorable mention has to go to Jeff Chisholm, who livened things up by revealing his unusual ability to catch footballs between his knees.

Corrigan Instruments 13
North Halton 7

Nothing fancy in this one folks. It was a defensive struggle that would have made Roger Nelson proud. But then it wasn't a game likely to prompt a future boast. "Yes son, I was there back in '84, when Corrigan knocked off North Halton."

North Halton played a good first quarter which began with a kick-off recovery by Phil Buck. Mike Back scored a TD shortly after and North Halton picked up another point on a missed field goal by Sean McQuarrie.

Jim Boulanger contributed an interception on defence.

Over the next three quarters North Halton

was shut out. Corrigan offence sputtered into life in the second quarter with a TD reception by Brad Ferguson. Brother Brent put a cap on this high scoring affair with a TD in the third quarter. Kevin Harrison kicked the point after. The Corrigan defence played tough all game.

Mark Milton blocked a punt, and Kevin Harrison had an interception.

Smoke Shop 37
IAS 12

The professed philosophy of the Smokers this year is to have fun on the field, try different people at new positions and not be overly concerned with the pursuit of first place.

Well, the Smoke Shop certainly enjoyed this one. Their defence came up big, shutting out IAS for the first three quar-

CHOICE AIR CUBS 36

For the Mets, David Astrauskas drove in three runs to gain the tie. Heather Hiseman hit safely three times and Geoffrey Beauparlant was hot at first base.

The Cubs had good fielding from Robby Carter and outstanding play by David Doole. Donny Butler and Brad Friend had homers with Danny Vanderbyl, Kevin Humeniski and Kristi Draper getting extra base hits.

Greeks 38
Longhorns 18

In 1983 the Longhorns were the only team able to crack the Greek armour when they posted a late-season victory over the champs. A repeat of that epic win was not in the works for today.

The Greeks came out flying in this one,

launching an aerial bombardment that left the Longhorns dazed and 24 points in the hole by half time. The Longhorns regrouped during the break and came out strong in the second half, outscoring the Greeks, 12-8.

D.Q. 28
Foberts 14
Defence played the

key role in this game. For the Queens, Jeff Lockwood, Lloyd Melzanic and Mike Lord snared errant Fobert passes. And though Foberts defence did not enjoy the same success intercepting Le Blanc's bombs, they did make several impressive stands to keep the score close.

I.A.S. playing their first legitimate game of the season, didn't accomplish anything until the final quarter when they tallied 12 points to make the score a little more respectable. Jim Taggart and Brian Pemberton scored majors.
