St. John helps us

If your cottage is a long way from emergency and medical help, make sure you have an emergency plan, says St. John Ambulance. Keep local phone numbers handy, and know who to get to help, and know how to tell people where you are. You should have a well equipped first aid kit at the cottage and in the boat, and know how to use it.

PRECONSTRUCTION PRICES FROM
\$81,900⁰⁰ SUMMER OCCUPANCY
