1984 has some positive aspects

Over a great deal of the season I have consistently written on negative aspects of the year to date. For a change, how about a few positives?

The Atom girls' selects had a super weekend at the annual Brampton tourney, without even winning a game. Strong opponents in Pickering, Whitby and Newmarket each won 1-0, and Oakville won by 2-1 in the results column. Just a week or so ago the girls got together to prepare for the tournament and in one match Oakville beat the lassies by 9-0. In a short time the turn around to a narrow one goal loss is phenomenal and deserving of a few kudos. Only some good goalkeeping and bad fortunes kept the goals from coming, one certain 'goal' being stopped by a goalie's face!

Last Tuesday officiating was a distinct pleasure for a change. I walked off the Meadowglen field and congratulated both Ajax and Meteor Blue for a sporting contest played without animosity, without deliberate fouling, and acceptance of decisions, right or wrong. There were no lines officials and the players were honest themselves on balls in or out of play, fouls given or taken. The result does not matter here - it was a pleasure for both sides and spectators.

Another pleasure was the Mariner defeat of Villa "B" in Acton last Wednesday evening. Two goals in the last five minutes of the game were a just reward for a frustrating hour and a half against an effective offside trap. It was nice to see Peter Jones, an ex-Falcon, ex-Meteor, ex-Mariner still playing as well as ever, at 52. I believe *No matter how long I turn out I'll never catch him up in age, or in running and skills either.*

Canada's soccer display at the Olympics has been magnificent. Only a penalty kick shoot out loss gave the much vaunted favorites from Brazil a victory in the quarter finals. This to a Brazilian team that will be the backbone of the '86 World Cup squad, is a tremendous achievement. Brazil's equalising goal in the late second half shows how close we came to going through ourselves. A series of bad errors across our own penalty area gave the South Americans the chance to survive and they took the chance. In the final, Brazil lost to France by 2-0 in a shining game. This was real recompense for France after the defeat by West Germany which put them out of the '82 World Cup. And that on illegitimate penalty kicks and a deliberate foul by the German goalkeeper on a French forward to remove the attacker from the game. A bad foul which went unpunished. This was followed by the keeper moving before the ball was kicked on two penalty kicks in the ensuing shoot out. The '82 World Cup was not an easy situation to recover from, and the French have done it in style by winning the Olympic Championship.

Almost in any rep youth game our players seem to be beaten before they begin, an attitude which has bedeviled us for years. Our peewees went 2-0 up over Streetsville on Thursday at Cedarvale on goals by Johnny Stefan, from a free kick on hands by the goalie carrying the ball outside his area; then from a shot on goal and all within the first five minutes of the game.

The GYSC Boys Pee Wee soccer regular season schedule has come to an end, with Pineview taking top spot by virtue of their 7-1 win over Hornets.

The mini-round playoffs are now under way with teams advancing to Cup play.

Greg Wagner, Rod Laver and Kevin Brooks played well for the winners while Martin Davidson, Danny Herard and Steven Mills played well for the Hornets.

In Minor Squirt play, Brad Spears and Marly McLeod had two goals as Blue Thunder defeated Blue Jays 6-0.

Chris Howell and Scott Johnston had the others. Jason Itus, Matthew Johnson and Michael Passas played well for the winners while the Blue Jays played well in defeat.

Tim Hesselink had the lone goal as Blizzard edged Red Lightning 1-0. Michael Olsen, Kevin Fox and Darin Finlayson played well for the winners while Ryan Howett, Trevor Culbert and Adam Bradley played well for the Lightning team.

Graeme Roberts, Ryan Crawford and Stephen Livette played well for Fantastics while the Green Raiders team all played well.

Reds down Cubs in T-ball play

Royal Canadian Legion Reds 23 vs Angels 27

Choice Air Cubs 22

This was a super defensive game with exciting ball by both teams.

Ryan Martin led the Reds. Ryan Poyntz had a homer and Jay Duval was outstanding.

For the Cubs, David Doole played pitcher well and Gary McIlven was outstanding. Homers were hit by Lisa Fitzpatrick and Krista Peacock.

Halton Credit Union Mets 30 vs Casselman Fuels

The Mets pulled one out - led at the plate by Jennifer Hunter, Andy Kershake and Stefanie McDonald. In the field Darryl Williams made a double play with other good defence by Linda Lacroix, Sarah Hiseman and Rob Monckton.

Angels coaches Mrs. Hay and Corney got a good game from Alex Clarke, Tracey Green and Chris Corney with two homers by Brandon Keir and one by Jeremy Williams.

Longhorn's grid win "one for the Gipper"

By DON SCALLEN
Herald Correspondent

After suffering humiliation last week at the hands of T and R Paving, the Smokers salvaged enough pride this week to pummel M and M-Pro Sports 3-0. In other league action the Greeks defeated Faberts 30-12, Dairy Queen edged North Halton 26-21, Longhorns beat I.A.S. 25-16 and Corrigan thrashed T and R Paving 30-8.

LONGHORNS VS I.A.S.
Longhorn pivot Zeke McCandless, hobbled along the sideline, silently cursing the leg injury that has meant a premature end to a promising career in the GPEL. A tragic figure, he longs to recapture the glory that was once his, to once again experience the exultation of victory.

Substitute QB Don Cousins looked over at McCandless through misty eyes and told his charges, "Let's win one for the Gipper!" They didn't let him down.

Bob Davey struck for

two scores and Wayne Denmore had another. Murt Allison collected a pair of two-point converts and Jim Lindsay kicked a field goal. I.A.S. kept the game close with scores by Brian Pemberton and Dwayne Wilson. Pemberton added a two-point conversion and Doug Pemberton added two singles.

DAIRY QUEEN VS NORTH HALTON
Dairy Queen toughed it out with North Halton this week, which snapped their three-game losing streak. It was a close match throughout, but in the end the superior DQ offence prevailed.

Jeff Lockwood was the key man for the winners, with a touchdown, field goal and convert. Ron Lunn and Steve Crossman racked up majors and pivot Mitch Leblanc, returning to early season form, hit Brian Davis and Hal Hulme for two-pointers.

North Halton's offence broke the elusive 20-point barrier with scores by Sean McQuarry,

Andy Turill and Paul "Midew" Cunningham. Tyrrell kicked a point after and Mike Schultz added a two-pointer. Dairy Queen kept North Halton at bay with interceptions by Lockwood and Hulme.

SMOKE SHOP VS MANDIPROSPORTS

After the Smokers lost to T and R Paving two weeks ago, they pondered their future. A suggestion was made that they move to the Far East and join a Buddhist monastery. Cooler heads suggested that a Loblaw's bag with two holes cut in it would be enough to disguise their identity until the town forgot their defeat.

This week the Smokers rose from the depths and regained a good measure of self-respect. Their sterling performance was marred however by an "intent to injure" call on Tim "Mr. T" Tatten early in the game.

The Smokers hit M and M's laugh a minute defence with 20 unanswered points in the first half. Werner Miklart with two scores and

Doug Thompson with another, did the major damage. Jack Butler added a two-point conversion.

In the second half the Smokers' onslaught continued. Butler and Paul Ewing scored majors and John Vierra picked up two points.

M and M finally hit pay dirt with a major by Stub Doucette. Paul Edgerton picked up a two-pointer. Charlie Knoepfli and Doc Thompson picked off M and M passes. For the Pro Sports, defensive star Randy St Andrews added another to his impressive record.

CORRIGAN VS T AND R PAVING

T and R Paving, still recovering from the emotional and physical strain of manhandling the Smokers two weeks ago, were unable to mount much of an effort in this game.

Corrigan, with pivot John Larose back at the helm, racked up four majors. Brad Ferguson, brother Brent, Mark Milton and Bob Buschel scored the majors. Joe Domingos added a pair of two-pointers and Milton another.

Corrigan's defence again came up big. Mike Pollard and Larose recorded interceptions, helping the defence play shut out ball until the fourth quarter. T and R finally broke through the Corrigan cordon with a Kevin Banks major. Ray Rahn contributed a two-pointer. Ed Boonstra helped T and R's cause with an interception.

GREEKS VS FOBERTS
Led by the defence, Faberts put together a strong effort against the Blue Meanies. They intercepted a rusty pivot Rick Baldwin three times and stopped five Greek conversion tries. Unfortunately for Faberts, their offence was unable to take advantage of the opportunities presented by the defence.

They did manage to score two first-half majors by Frank Bruno and Brian Tilson, but were shut out in the second half. The Greeks hit for five majors, including two by Mark Russel, who is well on his way to a second league scoring title. Paul Karolidis, Linus Skaulis and Steve Pearce had the others.
