Powder-puff thanks

Dear Sir,
On behalf of the executive I would like to thank all of our dedicated volunteers for making our powderpuff baseball tournament such a huge success. A special thank you to Wayne King for chairing the tournament - he did an excellent job. To our coaches whom once again gave of themselves to volunteer for various jobs over the weekend and carrying them through. To all our coaches another thank you for being there and sweating out every game with us and for wanting the wins as much as the players.
I am sure all your team members appreciated having your support. Also for coming out on Friday evening with the local merchants to have a fun game. The fans had a great time. Both teams did an excellent job in horsing around enough to make it a tie game.
Bill Kirby, Al Moore, Keith Bottomley, Larry Peterson, and Bob Inglis how do we thank you for your total commitment to us at the refreshment booth, you guys were great. Thanks a lot for saying you give 100 per cent and then turn around and give 200.
Thanks once again this year to the S.O.B.'s for your help umpiring games, you guys are always around when we need you. Thank you to all our team members who gave up their time to do various jobs during the weekend and to all the league for playing great baseball.
Thanks to all the scorekeepers for doing an excellent job. Oh, I can't forget our husbands who have supported us gals all year. You have been the baby sitters when we had meetings or games, our sounding boards when everything seemed to be going wrong, our muscles for all the lugging you did this weekend.
I would also like to thank Linda Weeks for her knowledge and for all her time to the league this year as sitting in as past president. It sure helps to know what worked or didn't in previous years. One personal thank you to Penny Butterworth for co-ordinating this whole thing and always staying calm with her fellow executive and being one great president.
Thanks to all.
Joyce Hutchins,
Publicity Chairperson
