Dave Chapman keys victory

In something like four or five years of playing Canadian Serbs Falcons had yet to win a game. Last Saturday coach Sam Inglis had the feeling that this was to be Falcon's day - and so it turned out to be. A 5-2 victory on the day was a justifiable result although neither team played particularly well. The main difference was Dave Chapman's hat-trick in between a second minute goal by Sean McQuarrie and a late counter by Ashley Sanders. The lads did enough to win, and, against a difficult opponent is a fair day indeed.

Varian comes close to title

Varian almost pulled off the Inter County second division championship last week. Superb defending and midfield play by them and opponents Litton time and again thwarted their respective opposing forward lines. Only three shots were recorded in a great contest until the last five minutes of play. Litton went ahead and a Varian defender put through his own goal to clinch the game for Litton. Pat Burfoot must have been watching the Mariners closely on Sunday mornings! This was also the first round robin play off game and Varian will have their work cut out to make the semis. In the same section Villa 'A' had a rough handling by Butcher as the 1st division champs ran up five goals for the win. This evening Varian entertain Villa 'A' and Butcher travel to Litton.

Meteor wins 3-2

Section two saw Meteor White travel to Latino and return with both points in a 3-2 result. A chippy game this with three players being ejected from the game. The Blue lost at home to Rangers 'A' in another good game with the visitors just deserving to take the game. Blue meet Latino at Meadowglen and White host Rangers 'A', the White game on Thursday.

Villa takes lone win

Six teams are in the third section and only Villa 'B' came away with a win, 3-1 over Eagles at home. Ajax held a rejuvenated Mariners to a 3-3 tie, being on the receiving end for most of the second half in a sporting game. Brackens went to Rangers 'B' and came away with a point in a 1-1 tie. Eagles host Rangers 'B' at 6:15 and Mariners meet Villa 'B' at 8:45 this evening. Tomorrow Brackens play Ajax at 6:15 at Moore Park.

Youth team returns

The Canadian Youth national team, with 13 Ontario players in the 18 player squad returned from Trinidad this weekend with a runners up medal in the Central and North American and Caribbean Championships. The team lost to Mexico 2-1 after overtime, a worthy achievement and testament to the program for soccer in general. Along with Mexico the Canadians qualify for the next youth world cup championship in Chile. This is the first time that Canada has qualified for this tourney. At the senior level the 1986 world cup draw for the qualifiers has taken place and Canada has to beat out challenges from Guatemala and Haiti in their section to advance to a play off for the right to go to Mexico.

Numbers big problem

Referees, or the lack of them, has been a major problem this season. Not all of the young and older new refs have been able to put out much, if at all, this season. This has placed a burden on the rest of us which has been a heavy work load each week. Sam Inglis and I joined the injured list last week and should be O.K. for a game or two this week. Rob Inglis has returned to University and Rob Lovegrove and Stu Baines are back at GDHS. Most of us who do officiate are also involved in playing and or coaching making a fair inroad on time available. At the same time I am certain that teams which have us on match days are sometimes fed up with the sight of us so often. It is an area of concern and we need to put our thinking caps on to come up with a definite set of ideas to produce more. The 'old squad' is being depleted each year and the newcomers are few and far between.

Profiles not done yet

I had hoped to put my Falcon player profiles before you this week. My estimate of 25 players is sadly short of those actually used this year, and my profiles are not completed. Later, later. So what, you may ask. So what, in return!

Youth Cup finals

Youth cup finals take place this Saturday and times and age groups have been submitted to the press by the club. This week it is the boys turn, next weekend sees the girls' round robin finish and the following weekend the Mid-Ontario League cup finals are due, as well as the Inter County finals. It is still busy, busy.

Specters down Orangeville

Glen Williams Specters of the Intercounty Fastball League defeated Orangeville twice this week to qualify for the league final. Tuesday in Glen Williams, the Specters needed 15 innings to record a 2-1 win. The winning run was scored when the Specters had the bases loaded, and Orangeville walked a batter, thus scoring the deciding run. Jeff Haines pitched the first seven innings of the game, before giving way to Mark Curtis, who went the rest of the way. Thursday night in Orangeville, Glen Willi-

ams again needed extra innings to record a 5-2 win. In their half of the 12th inning, Glen Williams exploded for three runs to break open a 2-2 tie. Glen Fendley singled and came home for the winning run when Kelly McArthur tripled. Curtis pitched the win, going the distance. The Specters will play the winner of the Alton-Hornby series, which is tied up at one game apiece. The final game will be played Tuesday, with the championship series, a best of seven affair, beginning next Tuesday.

Men's flag football action

DQ earns hard-fought grid win

By DONSCALLEN
Herald Correspondent
With league playoffs nearing, Dalry Queen continues to roll. They topped Smokers 29-22 in a hard-fought game. In other league play, Longhorns stomped all over Norval 61-0, Corri- gans edged IAS 18-16, Greeks beat M and M Pro Sports 34-16 and Peel County Bandits kept their playoff hopes alive with a 38-15 win over North Halton.

LONGHORNS VS

NORVAL
This was quite possibly the most lopsided win in GFFL history. Longhorns, to coin an old phrase, were simply awesome - despite the fact that they were undermanned. Taking a cue from the Blue Bomber display Friday, they crushed Norval with a nine touch-down blitz. Paul Allison could do no wrong. He scored four majors and grabbed an interception to boot. Bob Davey

contributed two majors with Bob Hamilton, Bill Taylor and Jim Lindsay scoring single tallies. Lindsay also booted four converts and had an interception. Wayne Denmore, fearing a Norval comeback, added a north-halter.

NORTH HALTON VS PEEL CO. BANDITS

Bandit QB Terry Hunt hit four receivers for five majors. Mark Mullally scored twice and Rob Arthurs, Ken Baker and Bruce Virch had the

others. Mullally added a two-pointer as did Dave McCarthy. Hunt kicked two converts. North Halton found themselves in the playoff picture despite the loss, Greg Lawr scored twice and Sean McQuarrie rounded out the scoring with a field goal.

IAS VS CORRIGAN

The closest match of the day saw Corri-gan gain a share of first place in the East. Scoring was confined to the second and third quart-

ers as the teams produced an almost identical offensive output. Each team scored two majors and a field goal. The difference was a missed IAS convert and a single scored by Corri-gan. Wayne Johnson and Chris Reed scored majors for IAS. Wimp Pemberton kicked the field goal and convert. Brent Ferguson chalked up a major for Corri-gan and pivot Paul Larose carried the ball for another. Kevin Harrison booted two converts

and Brad Ferguson had a single. MANDM VS GREEKS
The Pro Sports team jogged out onto the field with the Greekbuster theme ringing in their ears, "We ain't afraid of no Greeks..."

DAILY QUEEN VS SMOKERS

Daily Queen looks like the best bet to end the Greek championship reign in the upcoming playoffs. Against the tough Smokers, their offence was limited, but they scored enough to

win. Rick Baldwin hit Paul Wilson for two majors and hit James Allan, Rob Rivers and Dan Reynolds for three more. Wilson came up with an additional two points as did Steve Peace. Rob Dean, who conti-

Powderpuff teams earn tie

PINK PANTHERS 7 ROBS MOB 7

The Panthers and Robs Mob ended the game with the first tie of the season. Good infielding by Maria Tasone and

outfielding by Sharon Hale and Debbie Tolham for the Panthers along with excellent hitting by Christie Fudge and Sharon Hale. The Mob gave a good team effort

backed by good defensive plays by Pat McElroy and Linda Braisby.

KNIGHTRIDERS 10 RED RUNNERS 8

The Riders played a

good game backed with Tammy Lockwood playing a good defensive game and Donna Peacock having a good night along with Linda Anderson having a good night at bat. Unfortunately the game was called due to darkness in the middle of the sixth inning so the eight runs for the Runners didn't count. However Marilyn, Jones got a homer along with two singles. Sue MacDonald went four for four at the plate. Kim Marci did a great job of pitching.

GOLD STARS 14 BLUE NUNS 14

With a good effort by the entire team the Gold Stars edged out the Nuns in this close game. Laraine Tarzwell and Susie Williams both played a great defensive game for the Stars. Debbie Barber and Lori Spraulle did a super job of pitching backed by a good team effort by the Nuns in this high scoring game.

GREEN GIANTS 10 PAYTONS CHOICE 7

In a grueling light contest again the steady pitching tandem of Judy Anderson and Jean Puckering kept the game

close until Joanne Coles started leading the team at the plate with several deep blasts. But the play of the game was registered by Brenda Cole with a leaping game saving catch and subsequent double play. The Choice were back in full force this week and made the Giants work to earn the win. A homer by Molly Moore and great pitching by Michele Hulme and Donna Reid made it a fine finish to the season.

TORNADOES 13 BRATS 3

Jeannie David and Joyce Hutchins both hit home runs to lead the Tornadoes past the Brats also having a good night at the plate was Sharon Pshyk and Brenda Hamilton who also played well defensively. Colleen Costello made some key catches in field and Smoke Ransom had four out of fourteen batters strike out.

GDHS runner feels year will be tough

By NITA MILLESSE Herald Correspondent

Amy Powers is one of Georgetown's cross country runners who feels that this competing year is going to be tough. Powers, a 16-year-old Grade 11 student at Georgetown District High School, has been running cross country since the fourth grade. Besides running, she also competes for the GDHS track team. Powers feels the teachers and coaches will push the team harder this year, due to the fact that the 1984 provincial championship meet will be held here in Georgetown in November. But she also feels it will give the GDHS team an ad-

vantage because they may get the opportunity to practise on the track prepared for this year's Ontario Federation of Secondary School Association (OFSSA) meet. Powers herself has competed at OFSSA cross-country events for the past two years. At her first meet she placed fifth, and this past year she placed 30th. "My goal this year," she said, "is to do well at OFSSA and place better than last year." During the summer, Powers trained about twice a week with the team. During the academic year she trains an hour daily at the school. Besides after school

training, she practises on her own. Powers says she runs about 20 to 25 miles a week, as well as swimming and playing league soccer. She says training can get tough because it takes up a lot of time. "Sometimes it can really affect your school work, especially when you are missing days of school to compete." But besides all the vigorous training, Powers finds it worth her while. "I don't especially enjoy all that training but it is something you have to do. But I have fun at the meets and in the end I find all that training worth while."

HALTON HILLS HERALD

ATHLETE OF THE MONTH (for August, 1984)

Halton Hills Sports Editor Dan Ralph presents Mimi Jones with the Halton Hills Athlete of the Month award. Mimi plays in the Pee Wee Girls Soccer league, and scored seven goals in five games with her Reflex team. This weekend, the boys soccer teams will take part in their Cup Day, with the girls teams competing in their championship event the following weekend. (Herald photo)
