Boys soccer comes to end

The boys cup soccer finals have come and gone and that is their 1984 season at an end. A rainy day for the most part did not dampen too many spirits, thank goodness. One parent-team manager swearing at a referee, some players railing another team's players at a penalty kick finish were the unsporting highlights of the day. A little chap came on to the field as a sub and was promptly smacked by a passing ball and retired immediately winded. He returned later and the same thing happened - it just was not his day, it seems. Another lad came a cropper when trying to avoid one of the many puddles he landed face down in it after escaping it a few times. On the whole a most sporting day all things considered. Youth commissioner Rick Golding wishes to thank all age group commissioners, coaches, managers, players and fans and not forgetting the refs for a good season.

bantam winners

Bantam league winners were Wildbirds followed by Milton and the Enforcers. A solid cup final was played between A.E. LePage and Wildbirds with LePage coming out on top via the penalty kick finish after a hard fought 1-1 tie in regulation time. The consolation final was a win by Red Raiders over Enforcers by 5-2 after being down 2-0 early on.

Pineview wins twice

Peewee division league champions are Pineview, who led for most of the season, I understand. The cup went to Pineview also with a 2-1 victory over Bombers. The consolation final saw a very exciting match between Cobras and Rowdies. Building an easy 3-0 lead in 11 minutes Rowdies continued to dominate and were five up at half time. The second half was a transformation as Cobras stung themselves into stinging attack after attack. As the game wore on they crept back goal by goal to 5-4. A late counter by Rowdies and another consolation goal for Cobras ended the scoring, with Cobras on the attack for the equalizer in the dying seconds.

Blue Thunder winners

Mosquitoes semis resulted in Blue Thunder winning by 1-0 over Rebels, Panthers ripping Grey Lords apart in a 5-1 game. The final went to Blue Thunder by 2-1 and the consolation winners are Rebels, taking a shut out over Grey Lords in a 2-0 win.

Tigers power wins

The atom Warriors proved to be worthy ones as they took a semi final decision over Tigers by 4-1 and the final saw them power a win over the Killer Falcons. The Falcons had eliminated the Blue Bombers in their semi and the Bombers went on to take the consolation.

The major squirt champions are The Green Crusaders with a narrow win over their opponent the Red Barons by 1-0. The consolation final resulted in a 2-1 victory for Blue Bombers over Jets. Minor squirt leaders Blue Thunder defeated the Green Raiders by 2-1, and third and fourth spots were fought out by Blizzard 3, Blue Jays 0.

Minor reps lose

The minor mosquito reps fell by 6-2 to first division Brampton in the Peel Halton semi finals on Saturday in what turned out to be a lack lustre affair. On the wide open Shell Park in Oakville the team just could not get going. The general consensus was that the opposing team were not of that much a higher standard and a full effort by the lads would have brought a different result. However this was a tremendous achievement by a team that was not expected to fair too well. They can hold their heads high. And wait, for they still have a couple of league games left to play.

In fact, both the reps and the girls have yet to finish their season. The girls final round robin day is this Saturday, and we can all expect to be busy again. The senior men and ladies are yet to end up so there is indeed a lot of soccer to come.

IC playoffs

The Inter County teams continue their playoffs and this evening Bracken's play Villa 'B' at Dorsey. Kick off is as soon after 6 p.m. as possible. The Mariners attempt to beat Rangers 'B' at Cedarvale at 8:45 and tomorrow Meteor Blue and White play at Meadowglen at 6 p.m. Last week Bracken's and Ajax and White and Rangers 'A' were cancelled due to weather. Mariners romped over Villa 'B' in their best display in years with a 6-1 roasting. This was vintage Mariners at last. As Villa coach Bill Diggins said, 'This was one to forget for us, we were not even here.' Dan Shields netted two and missed 15, Dave Chapman, Alex Tough, Ivan Bird and Rick Middaugh the other scorers. Greg Malby scored for Villa after being set by Bill Xanthos of Mariners. Jeff Dykshoorn and Ed Blekenhorst scored in Eagles 2-2 tie with Rangers 'B' to earn their first point in the series. Blue tanked Latino 5-0 with goals coming from Ron Vanilem, Rick Knoepfl, Mike Ackroyd and Andy deGroot. Both teams had a player ejected from this one. Varian unbelievably lost to an eight man Villa 'A' squad by a 1-0 score, a result that virtually eliminates them from the playoffs as they travel to Butcher tonight. Yet again, who knows on the night?

Men's flag football regular season ends

Bandits' loss ends playoff drive

By DON SCALLEN
Herald Correspondent.
Regular GFFL action concluded this week with only two games having a bearing on the standings. Peel County Bandits lost to Dairy Queen 29-26 to end their playoff chances and Smokers edged Corrigan 29-28 to capture first place in the East. Other games saw Greeks blow away Longhorns 47-21, M and M Pro Sports beat IAS 28-24 and Norval beat North Halton 39-29.

PEEL COUNTY BANDITS VS DAIRY QUEEN

Bandits' disappointing season came to an end this week with a heart-breaking loss to DQ. They gave it their all, but came up three points short.

Mark Mullally played a great game for Bandits, scoring two majors and a two-pointer. One of the majors came on a 70-yard interception return.

Ken Baker also came up big for Peel County, scoring two majors. DQ majors came from Brian Davis, Ron Lunn and Randy Lunn. Randy Lunn also had a two-point convert, as did Howie Hulme. Jeff Lockwood rounded the scoring out with two field goals and a convert.

DQ opens the playoffs next week against Longhorns in what should be a classic. Dairy Queen's record gives them the edge, but not by much.

GREEKS VS LONGHORNS

Greeks tuned up for the playoffs by blasting the tough Longhorn squad. Mark Russell and James Allan each tallied two majors. Paul Karolidis and Craig McLaughlin added two more majors. Rick Baldwin was clicking on two-pointers.

Allan, Russell, Karolidis, Frank Meizinski

and Linus Straulis grabbed one each. Allan also kicked a convert to add a little variety.

Wayne Densmore, Paul Allison and Rob Allison scored majors for the shell-shocked Longhorns. Densmore added a two-pointer and Jim Lindsay huffed a single. Greeks play IAS in the first round of the playoffs, and barring an upset of epic proportion, should advance to the semi final.

M AND M PRO SPORTS VS IAS

M and M stugged it out in typical fashion, winning with an almost unheard of cushion of four points.

Don Scallen scored an awe inspiring major on a 70-yard pass and run play. Bob Lockwood had another. Brother Ken had another, and also clicked on a 4-yard field goal and converted a major.

Brian Pemberton play-

ed magnificently for IAS, rocketing past flat footed M and M defenders for three majors. Doug Pemberton rounded out the scoring with a field goal and three singles.

IAS has asked the Pope to invoke divine intervention to enable them to beat Greeks next week.

NORVAL VS NORTH HALTON

Norval departed with the 1984 football scene with flair, playing their best game of the season.

Kevin Banks, Scott Sanvido, Mike Pelrice, Len Wassens and Rick Kiersted scored touchdowns. Pelrice had two two-pointers as Keirsted and Mark Lindauer added one each. Randy Doucette supplemented a splendid quarterbacking effort with a single point convert.

For North Halton, Mike Buck, Ray Peacock, Greg Lawr and

Mark Hamilton scored majors. Hamilton and Lawr also contributed two points.

North Halton, who seem to play well only against top flight opposition, will have that chance next week as they meet Smokers in the playoffs.

SMOKERS VS CORRIGAN

The battle for top spot in the East proved to be the most exciting contest of the day. Corrigan rolled to a 21-6 lead at the half, but as so often happens Smokers woke up during the half and stormed back to win the game.

Brent Ferguson scored two majors for the winners. Brad Ferguson and Joe Domingoes scored two more. Kevin Harrison converted all four.

Terry Diardichuk played well for Smoke

Shop with two majors, and a two-point convert. Paul Ewing and John Vierra scored two more.

Rody Gegeer added two points and Doug Thompson kicked a game winning single late in the game.

WEST DIVISION

Team	W	L	T	P
Greeks	11	2	0	11
Dairy Queen	10	3	0	20
Longhorns	7	4	0	14

Specters in final

Glen Williams Specters of the Inter County Fastball league began their league final series with Hornby Tuesday night. The second game in the best-of-seven final will be played Thursday night at 8 p.m. in Glen Williams. The third game will go Sunday in Hornby, as will the fourth game on Tuesday. All games are at 8 p.m.

If necessary, game five will be played Thursday Sept. 27 in Glen Williams with the sixth game going in Hornby Sunday Sept. 30. The seventh and deciding game will be played October 2 in Glen Williams.

Ice time available

Ice time is available at both the Acton and Alcott Arenas this fall and winter.

Interested parties can book time at the Alcott for Sundays between 6 a.m. and 1 p.m. Bookings can be made for the Acton Arena for Mondays between 9 p.m. and 11 p.m. Also available are prime time bookings for both Friday and Saturday nights.

J.V. Jets emerge victorious with ladies' football title

By KELLY PEMBLETON
Herald Correspondent.

The Ladies Flag Football League season officially came to an end on the weekend with a round-robin style of playoffs. The end of season leaders J.V. Jets showed their skill and brought all their talents with them and emerged as the champions, downing Diet Centre 21-6 in the final.

Surprisingly enough, the other two top teams who were favorites, North Halton Sports and King Pizzeria both got shot down by the Diet Centre team. Although DC lost to the Jets in the final, it was not from a lack of trying as they proved all week long that they could beat the best. But it was the Jets who

collected the hardware when it was all over.

The Jets' points were scored by Sheri Diegel, Lorraine Brown and Linda Ferguson. Diet Centre points came from Chris Fudge, Michelle Michm had a great day at quarterback and cer-

tainly was one of the main reasons DC did well.

In other games, Diet Centre defeated King Pizza 14-12. Patty Waters and Wendy Lepine had the points for King Pizza. Pam Anderson, Denean Jones and

Jennie Thompson had the points for the winners.

Julie Fournier and Susan Kruk had the points as Work That Body shut out Thruway 14-0.

North Halton defeated King Pizza 26-16. Sus Tesar, Prego, Sandra Cousins, Jennifer Reynolds and Cathy Milne had the points for the winners. Brenda Tost and Kathy Waters handled the scoring for the Pizza team.

Janet MacKay and Wendy Moore had the points for J.V. Jets in their 14-6 win over Thruway. Joan Lindsay replied for Thruway.

Pam Anderson and Jennie Thompson handled the scoring as Diet Centre beat North Halton 14-9. Sandra Cousins and Sue Tesar had the points for the Halton team.

Wendy Moore, Lynn Cartwright, Linda Ferguson, Jackie Diegel, Hermania Henderson and Lorraine Brown all had points as the Jets defeated Work That Body 34-8. Julie Fournier and Sue Kruk had the points for Work That Body.

Giants down Pink Panthers

Green Giants 13

Pink Panthers 6

Despite good hitting by Kim Kirk and Debbie Fatham and good infielding by Sheena Love and Maria Tassone, the Panthers could not catch the Giants, who had a strong game from Arlene Dindlay, who led the team from start to finish. Anne Dale and Cathy Milne, two strong hitters, kept

the pressure on the Panthers whenever they went up to the plate.

Knights Riders 8
Rob's Mob 6

In this close game, the Riders edged out the Mob with a good all-round team effort. The Mob gave it a good effort, backed by Linda Armstrong's super game at the plate and on the field.

Centennial runners place well in meet

Centennial Middle School Chargers cross country team competed in the annual Kitchener-Waterloo Track Club Chicopee meet this weekend. Although it is still early in the training season, a number of Chargers placed well in the individual races.

Bob Donker, competing in the atom division, placed first and shattered the old record of nine minutes, 29 seconds with a new mark of nine minutes nine seconds.

Jennifer Arnold placed second in the atom girls division at 2,000 meters while teammate Paula Rand finished 5th in the field of 30.

Cam Herman placed a strong 4th in the bantam boys division at 3,000 meters while midget runner Sarah Fenske of George Kennedy also placed 4th in her first ever race.

The club will be racing again this weekend in North York.

Other finishers in the tyke girls event were Melanie Booth (8th), Debbie Beech (14th) and Shari Loke (17th). In the tyke boys category, Shannon Neely finished 28th.

In atom girls racing, Jennifer Ryan was 10th, Heidi Fenske 9th, Shelly Russell 25th, Kathy Brown 26th, Heather Lovegrove 27th, Tracey

Rehberg 28th and Maureen Turner was 29th. In the boys category, Michael Verrette was 11th, Stephen Fontana 13th, Korey Booth 18th, Erik Pederson 24th and John Cruise 27th.

In bantam girls Treena McKenzie was 7th, Karalynn Palmer 9th, Sonia Letarnec 11th, Karen Butterworth 12th. In midget boys Martin Davidson was 12th.

LOCAL GOVERNMENT

A CITIZEN'S PARTICIPATION PROGRAM

The Halton Board of Education, in conjunction with the Municipal and Regional Governments, is holding a General Interest Course for Adults commencing September 25, 1984.

Are you interested in how your property taxes are spent? Do you know how decisions are made? Are you thinking of running for office?

Topics include an overview of government, the budget and election process and decision making in local issues.

Tuesday evenings from September 25 to October 23: 7:30 - 9:30 p.m. Cost \$15.00.

Contact the Continuing Education Office at the Halton Board of Education, telephone 335-3663, 827-8403 or 878-8451 between 8:30 to 4:30 by September 21, 1984 to register.

Pulp and Paper Reports: Changes to meet challenges

Microchips and wood chips

The magic ingredient in modern pulp and paper making, micro electronics helps turn wood chips into thousands of useful products - more efficiently, with less waste, with higher quality, and more productively than ever before.

In the old days, all the action took place on a busy mill floor. Now, in pulp and paper mills across Canada, decisions are made by skilled operators in tidy control rooms.

Computer technology - just one of the changes sweeping Canada's pulp and paper industry as it responds to the challenge of competition.

With computers, we can plan how a forest area should be managed over the next 20 years and beyond. We calculate forest inventories, draw maps, identify road locations and engineering requirements. Computers contribute to fire prevention and suppression, and help

us select silvicultural treatments to keep the forest healthy and productive.

In the mills, computers and electronic sensors monitor every step of the manufacturing process and make instant adjustments for maximum efficiency and quality control.

In the hands of an experienced work force, computer technology helps make our industry more productive while improving our competitive position in world markets.

Silicon chips are the new tool for turning wood chips into dollars, helping to strengthen the competitive position of Canada's leading industry and protecting the jobs that come from the forest.

For a free booklet on Canada's pulp and paper industry, write to: Public Information Services, Canadian Pulp and Paper Association, Sun Life Building, 23rd Floor, 1155 Metcalfe Street, Montreal, Quebec H3B 2X9.
