

BOWLING

JOYOUS SCENE
Georgetown Bowl was the joyous scene of happiness for local youth bowlers on Saturday, Dec. 1. With 20 teams from Central Ontario competing in the zone final of the F-U-P. Combo Team Championships, the Georgetown Bowl House Champions captured both qualifying spots for the Provincial Finals. The boys' ten pin bowling pins over their team average to overcome the runners-up from Appleton by 19. Coached by Ralph Miller, the team of peewee Steven Jackson, bantam Shane Cowbrough, junior Sean Magwood and senior David Chaplin were each presented with a large plaque to commemorate the occasion by tournament director Everett Sampson.

The girls' team threw 236 pins over their average to outdistance the closest team, Acton, by a large margin. The happy plaque winners were peewee Kendra Bird, bantam Sherri Grieverson, junior Teri Korzack and senior Kelly McCorry, coached by Gord Lane. Both teams will now be in the Provincial Championships in March 1985 in Toronto.

LEGION LADIES
Positive thinking brought results to the bowlers of the Georgetown Legion Ladies Auxiliary. Determined to recapture the banner of the placements of former teams, the local ladies were out practicing for many weeks and captured the zone championship from Oakville with 3005 to 3010 and the other two skills of teams. Captained by Marion Carney and led by Barb Burns' 83 (the highest triple) and runner-up Hazel Dumper (86) and fine efforts by Anne Nicholson, Leanne Hall and Nikki Carney the local team will now be the district and then the provincial champion in Peterborough. With the winning teams having the right to host the different rounds the following season, the local ladies intend to bring all the Ontario legions to visit and spend time in Georgetown.

O.V. 11-999 OPEN
The first set of the 20 game O.V. Open Championships leading to a Canadian title, started at Georgetown Bowl on Sunday, Dec. 1. The leaders after five games were Kevin Jepson 1408 (281 average) and Art Beard 1342 (268 average). Baiting for one of the 10 qualifying spots is also local Roger Gervais 1137, and Ron McGowan 1154. At the top of the ladies division is Sue Wise 1239, and former Georgetown residents Marg Braklin 1229 and Pat Jepson 1177. The second five-game sets at Milton, the third in Bolton and the fourth in Bramalea.

GEORGETOWN YBC
With the house qualifying round of the Steps to Stardom National Championship competition starting in two weeks and continuing on till the end of January, the seniors are showing the most desire and improvement. Sponsor to coach Raiders Saturday

Georgetown Chrysler Raiders will have a new coach behind the bench for their game on "Price Beater Night" Saturday with Collingwood Shipbuilders.

Team sponsor Barry Whitworth will assume coaching duties for the game, and said if his team loses the game fans in attendance will receive free admission to any remaining future Raider home game of the season.

"Slippery Sly (Collingwood coach Darryl Sly) has agreed that I don't have to be carded for the game," Whitworth said after his team's 9-8 loss to the Shipbuilders Friday in Collingwood. "We're going to beat

them after this embarrassment." Whitworth said he might have a surprise assistant coach working with him on the Raider bench.

"I might have Gary Collins with me," he said. "Collins played professional hockey with Sly when the two were with the National Hockey League Leafs." Sly said the game will give him something to further discuss with his team.

"This gives me something to talk about in the dressing room," he said. While winning the game is important for the Shipbuilders, Sly said the best the Raiders can do is split their

Georgetown atom team comes close to winning Buffalo puck tourney

The Georgetown Firefighters-McNally Construction Atom AA's travelled to Buffalo, New York, for the annual Regals Spurt Hockey Tournament and in a strong AAA division played top calibre hockey, being the only AA team to reach the semi finals. At the end of the preliminary 3 games, Georgetown was tied for 1st place in their division but the tiebreaking rules put them in second and placed them against the other division's first place team for the semi finals.

In game one, Georgetown defeated Oakville AAA's 4-3. In a fast even hockey game, Georgetown led all the way until the third when the strong Oakville team managed to tie. Georgetown Atoms wouldn't let up and with just 28 seconds left to play Ken Kosziwka popped in the winner with help from Greg Dobbins and Steven Wright. Georgetown's goals came from Greg Dobbins (2) and Ryan Pells with assists to Ken Kosziwka (2), Brent Wasylenko, Tim Presswood, Scott McGuigan and Ryan Ward.

Bright and early Saturday morning it was

back to the arena to meet up with the Markham squad. These two teams were so evenly matched that going into the third the score was 0-0 with end to end action exciting everyone. Goalie, David Frost, successfully held off the opposition until Markham managed to swoop by our forwards and defence and tuck one past David. Never giving up, Georgetown responded when Andrew Elliott connected on a play from Greg Dobbins. Georgetown ended up on the short end of a 3-1 game but the play was much closer than the score might indicate.

Georgetown next faced Oshawa in a "do or die" situation and the boys showed the stuff they are made of by coming out on top 2-1. Georgetown came out strong and took

the lead two minutes into the first when Ken Kosziwka blasted a goal on a play from Ryan Ward. Four minutes later Greg Dobbins and Scott McGuigan set up Ryan Pells who fired in the winning marker. Georgetown kept the pressure on but Oshawa came within a goal late in the second. In an even, rough, fast game with constant shots and breakouts, the game became a duel of goalies and Georgetown's Marc St. Pierre was first class, constantly frustrating Oshawa's best attempts.

In the semi final round, Georgetown met the undefeated Chingacousy AAA team. In the tightest game of the series, Georgetown played their best game but came out short 1-0. Ching's only goal came with less than five minutes left to play when both teams were realizing it was anybody's game. Goalie Marc St. Pierre was superior in net keeping Georgetown in the game and with remarkable saves, being beaten only once on an impossible to stop shot.
